LENINE IS REPORTED IN JAIL AT MOSCOW

ALLIES MEAN GERMAN TROOPS SHALL LEAVE BALTIC AREA AT ONCE

Foch Drawing Up Note to German Government About Von Der Goltz's Troops; Strong Measures by Allied Powers if Further Delay

Paris, Oct. 8.—Marshal Foch, who yesterday was instructed by the Supreme Council to draw up a new note to the German Government relative to the withdrawal of Gen. von der Goltz's troops from the Baltic provinces, will couch the document very clearly, according to the newspapers here. The note, it is said, will state that in case there are further dilatory tactics by Berlin, measures will be announced for dealing with the situation and will be immediately and rigorously applied.

London, Oct. 8.—The report that General von der Goltz, commander of the German forces in the Baltic provinces, has joined the Russian Bolshevik forces with his staff is denied in a German Government wireless message received here.

Paris, Oct. 8.—Diplomats and military men of all the Allied and Associated Powers are agreed that the German troops under General von der Goltz in the Baltic provinces are a menace to Entente interests as they are now operating and should be withdrawn, but there is a great difference of opinion as to the best means of effecting their disarmament and disbandment.

Bolshevism
The fear is expressed by many of officers who are familiar with the situation that a considerable number of von der Goltz's troops may have joined Bolshevism, as they are for the most part men whose properties and employment have been ruined by the war, and they have sought the Baltic provinces as a pioneer country where they could re-establish their fortunes.

About 35,000
The von der Goltz forces are variously estimated at from 35,000 to 40,000.
In the opinion of experienced Entente officers, the Berlin Government has unquestionably lost control over the Baltic troops.

WINNIPEG INQUIRY EARLY NEXT WEEK

Robson, Chairman of Commerce Board, Will Return There

Winnipeg, Oct. 8.—Judge Robson, chairman of the Board of Commerce, will not return to Winnipeg until early next week, Harry Whitt, K.C., counsel for the Board, was informed by telegram from Ottawa to-day. Mr. Whitt had wired the Commission asking it, owing to the absence in the east of Judge Robson and James Auld, who has been acting as Commissioner in this city, the Board would appoint some one else to continue the investigation. The reply indicates that the sessions in Winnipeg have been suspended until next week.

Wheat in States.
San Francisco, Oct. 8.—Julius Barnes, Director of the United States Grain Corporation, speaking here to-day, termed agitation for the lower wheat price to reduce the cost of living a "popular fallacy."

He said the guarantee of \$2.05 a bushel to the American farmer was considerably below the world market price and declared there was no profiteering in wheat or wheat products. Other countries paid as much as \$4.55 a bushel for wheat and that the present world price was \$2.46. The wholesale price of wheat, he said, had increased 166 per cent. since 1913, the cost of flour 118 per cent. and that of bread 75 per cent.

PRODUCES MOST APPLES.

Olympia, Wash., Oct. 8.—The State of Washington leads the United States in the production of apples. State Agriculture Commissioner E. F. Benson states that he has received Government reports to this effect.

SEEKS SUPPORT OF MIDDLE CLASSES

Lloyd George Has Broken With Labor Unions, Say London Papers

Takes View Government Won Victory Over Railway Strikers

London, Oct. 8.—That Mr. Lloyd George has broken with the labor unions and wishes to draw to his support the middle classes, which apparently have tended to drop away from him as a result of the recent campaign against the alleged extravagance of the Government, is the interpretation put upon his speech at the Mansion House yesterday by newspapers here to-day.

During his speech, which was delivered at a luncheon in honor of Field Marshal Allenby, Mr. Lloyd George provided a surprise by denouncing the recent railwaymen's strike as "Prussianism" and "another effort to hold up the community and strangle it into submission."

Unusual Occasion
The occasion was an unusual one for such a topic, but the Prime Minister has a habit of doing unusual things at unusual times. Near him sat Emil Feisal, son of the King of the Hedjaz, in white robes, and the Archbishop of Canterbury, with an array of other military and civilian notables such as only London can muster on ceremonial occasions. They expected nothing more sensational than compliments to the conqueror of Palestine.

H. HOOVER SPEAKS OF RATIFICATION

Says Duty of American Senate Is to Approve Treaty

San Francisco, Oct. 8.—Herbert Hoover, speaking at a luncheon of club women here yesterday, said American bankers would be able to grant credits in Europe until assured that the peace treaty would be ratified.

"And it happens," he added, "that the United States has a very material interest in the restoration of industry and production abroad."

"I do not know what will happen if Europe, armed to the teeth, knows that food is rotting in our warehouses, which they cannot secure because of absence of credits that would make possible resumption of industry and production in Europe."

He said the treaty had been drafted in an honest effort to bring peace and order out of economic chaos and save Europe.

FIRE IN QUEBEC.

Quebec, Oct. 8.—Damage ranging between \$15,000 and \$20,000 was caused by fire here last night in the Lemesuere Tobacco Company's factory.

OTTAWA AND BRITISH PEACE DECLARATIONS ON SAME DAY

Ottawa, Oct. 8.—The Canadian Government expects to make a proclamation of peace simultaneously with the British proclamation and not before, according to information given the Senate by Sir James Loughheed.

London, Oct. 8.—The German press foreshadows the exchange of documents relating to ratification of the peace treaty in the latter part of October, according to a wireless report received here. This, however, is contingent on the completion of ratification by Italy, France and Japan, the papers intimate, and they point out that the treaty would thus come into force before the termination of debate in the United States Senate.

Prague, Oct. 7, via London, Oct. 8.

North Chinese and Southern Forces Are Resuming Hostilities

Amoy, China, Oct. 7.—(Associated Press.)—Hostilities between the Northern and Southern Governments have been resumed. Numerous troops have left this city to move against the Southern forces stationed at Chang Chow. The usual rice supply to this port has been cut.

Pavlovitch Is to Form New Cabinet For the Jugo-Slavs

Paris, Oct. 8.—The Prince Regent has refused to accept the Cabinet formed by M. Trilovitch for Jugo-Slavia and has called upon M. Pavlovitch to form a Cabinet which will be able to count upon the support of Parliament, according to a dispatch from Belgrade.

DENIKINE'S ARMY MOVING NORTH TOWARDS MOSCOW

London, Oct. 8.—The capture of the city of Voronezh, 275 miles south of Moscow, by the anti-Bolshevik forces of Gen. Denikine, is admitted in a Russian Soviet wireless message from Moscow received to-day. General Denikine's cavalry is advancing on Usman, thirty-five miles north of Voronezh, the message adds.

A message from Gen. Denikine's headquarters received in London yesterday reported the capture of 150,000 Bolsheviks "during operations around Voronezh," but did not definitely announce the capture of the city.

1,800 British Troops Arrive in Budapest to Maintain Order

Paris, Oct. 8.—The arrival of 1,800 British soldiers, forming part of the international detachment to take over the police service at Budapest after the departure of the Rumanians, is reported in dispatches from the Hungarian capital. Two thousand Italian soldiers also are expected.

BIG AEROPLANE CONTEST IN STATES

Machines Now Engaged in a Coast-to-Coast Race

Mineola, N. Y., Oct. 8.—Lieut. J. B. Mahobbe, in a De Havilland-Four machine equipped with a Liberty motor, was the first to get away in the coast-to-coast aeroplane race from Mineola to San Francisco and return, at 9.15 a. m. to-day. Sergeant J. D. McClure accompanied him.

At Binghamton.
Mineola, N. Y., Oct. 8.—The arrival of the first three planes at Binghamton was reported to officials here at 11.10. The machines were piloted by Major Smith, Lieut.-Col. Hartney and Lieut. Maynard.

From San Francisco.
San Francisco, Oct. 8.—Lieut. J. P. Richter, piloting a De Havilland aeroplane, with Lieut. J. B. Patrick as observer, who left the ground at 6.51 a. m. to-day, was the first of the western aviators to hop off in the 2,700-mile race to Mineola, N. Y. Cadet D. A. Cardiff was second to take the air. He left at 6.52. His plane carries no observer.

The first six machines took the air in less than five minutes, and they were closely followed by three more.

At Mather Field.
Sacramento, Cal., Oct. 8.—Lieut. E. C. Kiel, piloting a De Havilland aeroplane, landed at Mather Field, ten miles from Sacramento, in thirty-seven minutes elapsed time from San Francisco to-day, the first to reach this resting point in the race from San Francisco to Mineola, N. Y. Others arrived at intervals of a few minutes.

After breakfasting and taking on supplies, the aviators will resume the dash, commencing east of here the ascent over the snow-capped Sierra Nevada Mountains. The next stop probably will be at Reno.

HOW CURRIE STOPPED BIG AMIENS ADVANCE

Historic Letter Advised Cessation of Attack in Order to Save Canadian Lives

When the Canadian army was smashing past Amiens in August of last year General Sir Arthur Currie suddenly and unexpectedly advised the commander in charge of the British advance to check the attack and deliver a blow at a more favorable point. In a letter to the commander of the Fourth Army, who also had under his command the Canadian Corps, General Currie delivered a brief but telling argument against further advance and, thinking of the safety of his men, contended that the gains that would be made when the old Somme battlefield had been encountered would not justify the terrible loss of life that would result. The attack in that sector was stopped. General Currie's proposal—that the advance be made in the direction of Bapaume—was followed out while the Canadians—in accordance with the General's further advice—were withdrawn from the Amiens front and given the tremendous task of breaking the Hindenburg line.

These historic facts were disclosed yesterday when, speaking at the Canadian Club luncheon, General Currie read the historic letter which caused the High Command to alter its plan of attack. The letter, in which General Currie marshalled his arguments in the same masterly manner as he directed his troops to frequent victory was as follows:

Headquarters, Canadian Corps, August 13, 1918.
To the Commander,
The Fourth Army.
"With further reference to my conversation with the Army Commander this afternoon, relative to the attack schedules for the 14th, I beg to point out the following facts:
"1. We find ourselves up against

INDUSTRIAL MEETING STARTS OFF SLOWLY

Nation-wide Gathering at Washington Adjourns Until To-morrow

Washington, Oct. 8.—None of the groups being ready to present any business for consideration, the National Industrial Conference adjourned this morning until to-morrow after being in session an hour. Secretary Lane, chairman of the Conference, called on the delegates to get acquainted instead of remaining rigidly separated in groups, and adjournment was followed by a mingling of labor leaders, capitalists, farmers and publicists.

U.S. GOVERNMENT SENDS NOTE TO ITALY REGARDING FIUME

Washington, Oct. 8.—While not denying that a communication regarding the Fiume situation had been sent to Italy, officials here said to-day that nothing in the nature of an ultimatum, such as was suggested by comments in the Italian press, had gone forward.

London, Oct. 8.—Reuter's learns that the British Government has taken no separate action whatever with regard to Fiume. Its action has been only in conjunction with the Allies.

Fiume, Oct. 7, via London, Oct. 8.—A two-seated aeroplane belonging to the squadron attached to the army of Gabriele d'Annunzio caught fire Monday while flying over the city and fell near the Government palace, both aviators being killed.

ALL POLES INTERNED IN GERMANY WILL REGAIN THEIR LIBERTY

Warsaw, Oct. 8.—A Polish-German agreement has been signed by the Polish delegation at Berlin providing for the release of Poles interned in Germany for military, political or national activities. The revocation of all sentences imposed on Poles and the free return of refugees are stipulations of the agreement, which concerns Upper Silesia as well as Poland. The agreement will come into force immediately after its ratification.

U.S. GOVERNMENT SENDS NOTE TO ITALY REGARDING FIUME

Washington, Oct. 8.—While not denying that a communication regarding the Fiume situation had been sent to Italy, officials here said to-day that nothing in the nature of an ultimatum, such as was suggested by comments in the Italian press, had gone forward.

Advices Reaching Elsingfors State Lenin Tried to Have Trotzky Arrested But Failed and Was Himself Deprived of Liberty

London, Oct. 8.—Advices to Helsingfors report that Nikolai Lenin, the Russian Bolshevik Premier, has been placed under arrest in Moscow, according to the Exchange Telegraph correspondent at Copenhagen.

Lenine is said to have ordered the arrest of Trotzky, but failed to secure this and was instead himself taken into custody.

A Reval dispatch forwarded by the same correspondent reports a reign of terror against the Bolsheviks in Moscow has been begun by a revolutionary party. In this movement the Bolshevik leader, Jacob Peters, is reported to have been killed.

SUGAR SITUATION IS MORE SERIOUS

Refinery at Vancouver Forced to Close Down Until Ship Arrives

"We are very sorry to advise you that the sugar situation is more serious than ever," writes a prominent business house of Vancouver to a local retail grocer. "In fact, the refinery has only sufficient raw sugar to keep the plant operating until October 9, after which date the refinery will be closed down until the arrival of the next ship with a cargo of raw sugar. This ship is expected to reach Vancouver on October 18, which means that it will be from October 22 to 25 before any refined sugar is ready for delivery."

Local grocers state that it is quite the usual thing for them to be subjected to criticism on the supposition that they have sugar supplies which they are holding back from consumers, and the above information is given out for the purpose of throwing light on the situation. Some of the local grocers are entitled to criticism on the supposition that they are holding back from consumers, and the above information is given out for the purpose of throwing light on the situation. Some of the local grocers are entitled to criticism on the supposition that they are holding back from consumers, and the above information is given out for the purpose of throwing light on the situation.

GOOD SETTLEMENT NEWS FROM NORTH

Government's Land Policy Results in Colonization of 35,000 Acres

During a period of a little more than twelve months and what is considered to be a direct result of the land policy of the Provincial Government 35,000 acres of land have been colonized by the Rattenbury Lands Company.

This is the information conveyed to Premier Oliver in a letter from the company received this morning. The whole of the land in question, with the exception of 3,400 acres has been sold to individual settlers.

Mr. Oliver expressed himself to The Times representative as highly delighted about the news, which he regards as the most encouraging report on agricultural development received for some time.

In replying to the communication the Premier hopes for the continuation of the good work and congratulates the company on its energy, the effect of the result of which he considers should make itself felt in other parts of the Province where lands have been held out of production by speculators and indifferent absentee owners.

Canadian Soldier Murdered in Arizona; Body Was Recovered

Prescott, Ariz., Oct. 3.—The partly burned body of a man who had been shot in the back, officers asserted, was brought here last night by Sheriff Davis and Coroner MacLennan from a point on the Santa Fe railroad main line near Yampai, about 130 miles northeast of here.

The body was clothed in the uniform of the Canadian army and insignia indicated the dead man might have been a member of the 20th Battalion of the Canadian Infantry. The smoke of the fire into which the body had been cast attracted the attention of a sheep-herder, who found it.

SARNIA PEOPLE ARE STIRRED UP

Safety Committee Says Rev. W. Ivens Shall Not Deliver Speech

Sarnia, Ont., Oct. 8.—Lawful means to keep Rev. William Ivens, of Winnipeg strike fame, out of Sarnia will be taken as a direct result of a meeting of some hundreds of citizens in Victoria Park here last night.

Nothing in recent years has stirred up such an agitation in Lambton County as the announcement of Rev. Mr. Ivens that he would brave the storm of protest and speak in Sarnia, come what might.

Lieut.-Colonel Towers, addressing a meeting of citizens in Victoria Park last night, stated that no one protested the right of free speech in Canada, but no one could use free speech to infringe on other people's rights. People also had the right to protest against the abuse of the use of free speech and this was the attitude of the Sarnia Safety Committee.

Following the close of the meeting, at which 400 names were added to the Safety Committee's list, it was moved and seconded, "that in the opinion of citizens of Sarnia, William Ivens be not allowed publicly to address the people of Sarnia at any time."

MERCIER HONORED BY COLUMBIA UNIVERSITY

New York, Oct. 8.—Columbia University yesterday conferred the degree of Doctor of Laws, "honoris causa," the highest distinction in its power to bestow, upon Cardinal Mercier, Primate of Belgium, and "spiritual hero of the greatest of wars." Ten thousand faculty members, students and their families and friends witnessed the ceremony.

TOLD OF BURDENS FOLLOWING WAR

Deputy Minister of Finance Heard by Re-establishment Committee

Ottawa, Oct. 8.—A presentation of the Government's obligation in regard to the payment of perhaps \$200,000,000 re-establishment grant in addition to burdens already to be borne, was given to the special Commons Committee on the Soldiers' Civil Re-establishment yesterday afternoon by T. C. Boville, Deputy Minister of Finance.

Since March 31, 1914, the public debt has increased 55 per cent, from \$335,996,000 to an estimate for 1919-20 of \$1,950,000,000. Pensions are estimated this year at \$20,000,000; land settlement, \$25,000,000, and soldiers' civil re-establishment, \$10,000,000. Interest on the public debt has risen from \$12,093,000 in 1913-14 to \$102,762,000 this year.

The war expenditures for 1919-20 were estimated by Mr. Boville at \$250,000,000, exclusive of pensions, and this year's consolidated revenue receipts were estimated at \$244,000,000.

Income Tax.

Income taxes were levied on 51,588 persons in 1917, and the amount of assessment was \$12,221,669. Only \$7,091 persons paid, and the amount collected was just a little more than \$10,000,000. Only 22,668 persons paid on incomes between \$1,500 and \$6,000, and \$1,469,000 was collected from them. Only forty persons paid on incomes of more than \$100,000, a total of \$1,470,000.

A Difference.

T. C. Cox, officer in charge of gratuities for the Militia Department, was recalled in regard to a difference between his estimate of the number who reached France and the amount collected in the G. W. V. A. plan. It was pointed out that there was a discrepancy which would mean a difference of \$78,000,000 if gratuities were paid on the basis of the G. W. V. A. figures. Mr. Cox had no means of showing which men had been returned to France a second time, and it was thought that this would largely account for the discrepancy.

Civil Service Bill.

Having disposed of the last of those complaints against the reclassification of the civil service at the morning session, the special committee of the Commons considering the bill to amend the Civil Service Act devoted yesterday afternoon and evening sittings to consideration of details of the bill apart from classification.

At the evening sitting it was proposed to amend the provision of the Act giving preference to returned soldiers by making the preference apply also to the dependents of soldiers, more particularly, of course, to the widows of men who lost their lives. It was recognized that this would open the door to a considerable degree, and make it necessary to define the meaning of "dependent."

Locally.

Mr. Boville suggested an amendment providing that local appointments to the service should be confined in so far as possible, to the people in the district in which appointment is made.

Before the committee adjourned, Hon. A. K. Maclean expressed the hope that the committee would make a recommendation in favor of the re-establishment of a system of superannuation in the civil service, not at once, but some time in the near future. In the discussion which followed, the members of the committee expressed themselves almost unanimously in favor of the proposal.

MINIMUM WAGE FOR WINNIPEG WAITRESSES

Winnipeg, Oct. 8.—The Minimum Wage Act in relation to the proprietors of five restaurants in Winnipeg who refuse to pay their waitresses in straight salary the amount of compensation ruled by the Board, will be enforced to the limit, and if through a technicality the proprietors should be able to contest the present scale of wages, the Act will be amended so that they will be compelled to pay the minimum wage of \$12.50 a week. This is announced by the Government.

PROHIBITION BILLS IN OTTAWA HOUSE

One Measure Introduced Provides For Decision by Referendum

Ottawa, Oct. 8.—Hon. C. J. Doherty, by unanimous consent, introduced in the House yesterday afternoon two prohibition bills. The first would amend the provisions of the Canada Temperance Act so as to make it possible upon a plebiscite vote of the electors of the entire Province—whichever plebiscite would be taken upon a petition based on a resolution of the Legislative Assembly—if a majority of the electors should declare they desired importation of liquor into the Province, or manufacture of liquor in that province, or both, to be absolutely prohibited, to have manufacture or importation, or both, prohibited by proclamation.

In effect, the bill would extend the principle of the Canada Temperance Act so as to enable a majority of the electors of a Province to place importation under absolute prohibition. Mr. Doherty's second bill would amend the Act so as to give provincial legislation so as to make its provisions extend not only to importation of liquor, but to manufacture within the Province of liquor to be used.

Hope Entertained.
A further provision of the bill reintroduces a clause which was contained in the original bill as it was passed by the House of Commons, but which the Senate rejected. The clause is accompanied by modifications which, it is hoped, will make it acceptable. It provides that violators of the provisions of the Act may be tried for offences either in the Province into which the liquor was sent or in the Province in which the liquor was actually consumed. There is a provision that the clause will be operative only on the flat of the provincial authority.

Replying to a series of questions by W. F. Maclean, the Minister of Justice explained that the present law in Ontario in regard to a referendum is about to be taken, does not deal with the question of importation or manufacture of liquor. The Province, he said, takes the position that it cannot deal with that question.

Power to Prohibit.
"This," added the Minister, referring to the bill he had just introduced, "would be a method whereby, in virtue of Dominion legislation becoming operative by vote of the electors of a Province, importation into that Province or manufacture in it would be prohibited."

Mr. Maclean: Then Ontario would have to have a special referendum on the question in order to avail itself of this bill?

Mr. Doherty: Upon a petition this Government would hold a referendum in the area of the Province on whose behalf the petition was made.

Hon. Charles Maclellan: Does the measure provide for the coming into effect on a majority of the total votes cast, or on a majority of the voters on the list?

Mr. Doherty: It is a provision of the Canadian Temperance Act which I think provides simply for a majority. The other bill introduced by Mr. Doherty would amend what is generally known as the Doherty Act, a piece of legislation prohibition the sale or use of intoxicating liquors.

On second reading of a bill to amend the Criminal Code, providing that aliens must not have firearms without a permit, an amendment by S. W. Jacobs, calling for like treatment for all citizens, was negatived on a division of 46 to 34.

The House considered a resolution by Mr. Guthrie to permit manufacture and importation of oleomargarine until August 3 next and its sale until March 1, 1921. The opposition of the Erymen's Association was voiced by Donald Sutherland, but the resolution carried on a division of 22 to 15, and a bill was introduced.

WASHINGTON CONFERENCE

Washington, Oct. 8.—Opening the industrial conference called here by President Wilson, Secretary Wilson, of the Department of Labor, told the delegates that a splendid opportunity for service to mankind lay before them.

Stuffy Head Cleared Of Catarrh Germs By "Catarrhazone"

To catarrh victims we have just one word of advice—cure it now. The remedy is "Catarrhazone." That it will cure permanently you cannot doubt. Catarrhazone has cured thousands; it will cure you, too.

It acts in two ways: First, it destroys the germ—that checks the progress of the disease. Its second action is to heal the sore places the germs caused. Nice to think of breathing little drops of healing to every part of the lungs, bronchial tubes and nasal passages. It is such absolute thoroughness that makes Catarrhazone so effective in grippe, catarrh, and colds. Then by its sedative influence upon the mucous surface it clears away the cough and throat tenderness very quickly. We owe something to a science that has given us Catarrhazone—that wonderful remedy which so surely enables us to permanently cure disease of the breathing apparatus. We all know that stomach dosing is useless, and this departure in the mode of treatment is an advance in medical science that every body can appreciate and value. Complete outfit of Catarrhazone, which is guaranteed to cure any case of catarrh, asthma, bronchitis or throat troubles, lasts three months, price \$1.00; smaller size, 50c; trial size, 25c; sold everywhere.

CAPTAIN ADAMS WAS TAKEN BY ENTIRE SURPRISE

Improvement So Remarkable After Taking Tanlac He Hardly Knows Himself

"For one whole year before I took Tanlac there was hardly a day that I didn't have a severe headache and hardly a night that I got any sleep," said S. S. Adams when he called at the Owl Drug Co. in Vancouver, B. C., the other day. Mr. Adams served as a Captain in the English Army, and at the time he made this statement he was registered at the St. Frances Hotel, 600 Cordova, West, Vancouver. Mr. Adams further stated that he would leave for the Orient in a few days to accept a managing position with an English firm in Japan.

"For the past year," continued Mr. Adams, "I had gastritis in its very worst form, and gas would press against my heart and make it palpitate so bad that I would get dizzy, and sometimes while I was eating my meals I would get to feeling so rocky and dizzy that I would have to get up and leave the table without finishing my meal. My appetite was almost completely gone and even the smell of food would sometimes turn my stomach, and I had to be extremely careful about what I ate so as not to suffer from gas. My nerves were shattered and the least little noise out of the ordinary would upset me completely. I can honestly say that for about a year scarcely a day passed that I didn't suffer with a terrible headache and for about the same length of time I didn't get a good night's rest, but would roll and toss till time to get up.

"I tried medicine after medicine, but nothing would do me any good, and I was about to give up trying to find anything else when my attention was called to a testimonial in the paper about Tanlac. I decided at once to try it, and I want to say right here that it took me by surprise, and that it is simply remarkable how I have been restored to health. I have a splendid appetite, and no matter what I eat or how much I eat I never suffer from stomach trouble in any form, not even gas, which used to cause me such pain. My nerves are quiet and steady, and I can sleep all night and hardly turn over one time. I am not troubled with headache or dizzy spells any longer, and I feel so different in every way that I hardly know myself. I am leaving for the Orient in a few days, and before I go I feel that it is my duty to make this statement and let the people of Vancouver know that Tanlac is a great thing, and that it will do every bit of what they say it will."

Tanlac is sold in Victoria by D. E. Campbell, corner Fort and Douglas—Advt.

PROHIBITION IN NORWAY PERMANENT

Christiania, Oct. 8.—War-time prohibition in Norway, which has forbidden the sale and private importation of spirits and strong liquors, was made permanent by the plebiscite just held.

Despite this prohibition, arrests for intoxication have been steadily increasing throughout the country, and in some places have been higher than before war-time prohibition was put into effect.

Substitutions for liquor, especially denatured alcohol, are being used everywhere. Illegal distillation also is increasing, especially in the rural districts, according to official reports.

It is feared that France, Spain and Portugal, from which countries liquors were imported, may retaliate with a tariff on Norwegian products.

REVERSES ITSELF.

San Francisco, Oct. 8.—For the fourth time in twenty weeks the United States Circuit Court of Appeals reversed itself yesterday in refusing to grant \$10,000 relief to Mrs. Manuel Souza, whose husband was killed in an accident at the Western Fuel Company's plant here.

BACK FROM SIBERIA.

San Francisco, Oct. 8.—Three hundred and seventy casuals from the American expeditionary force in Siberia landed here Monday from the transport Thomas. The men are nearly all California residents.

DRUGGISTS' CONVENTION HELD IN WINNIPEG

Winnipeg, Oct. 8.—Three hundred delegates were present yesterday at the opening session here of the seventh Dominion gathering of the Canadian Pharmaceutical Association.

A message of the decisive attitude of the Association could be gathered in the address of welcome by H. D. Campbell, the local president. Mr. Campbell first stated that it was the duty of all druggists to employ the returned soldier druggist. The second point Mr. Campbell emphasized was that Canadian druggists should primarily support Canadian and British industries and be on guard against any attempt by former enemy nations to re-establish a monopoly of the Canadian market.

Mayor Gray went to the opening session by aeroplane from the St. Charles aerodrome.

INDUSTRIAL EXPANSION

Seattle, Oct. 8.—Seattle paved the way to industrial expansion Monday, when twelve representatives of city, county and port governments assembled in conference and voted to vest in some public agency the jurisdiction over idle public lands for industrial uses.

SUGAR ORDER NOW IN FORCE ON COAST

Profits Regulated by Commerce Board; Inquiry at Vancouver

Vancouver, Oct. 8.—The order of the Board of Commerce of Canada regulating the price of sugar is in effect in this province, copies of the order having been received by Lieutenant H. D. Hulme, examiner for the Board in this province.

This was announced by the examiner yesterday at the sitting of the inquiry into the cost of living here.

The order limits the wholesalers to a commission of five per cent, and the retailers to a net profit of not greater than two-fifths of one cent per pound.

Inquiry.

The inquiry here yesterday was devoted chiefly to the supply and sale of butter, eggs and bacon, and in this connection witnesses from the Hudson's Bay Co., David Spencer, Ltd., The London Grocery, Retailers, and Parsons & Haddock, Naimith & Co., and the Vancouver Creamery, wholesalers, were examined.

The evidence of the retailers was in perfect accord, and their invoices of purchases and quotations of selling prices, overhead costs and expenses connected with bringing the

three products in question from producer to consumer, proved that in regard to the retail trade, butter, eggs and bacon were invariably sold at a loss to the retailer. Wholesalers admitted a profit of approximately two cents a dozen on eggs and three cents a pound on butter, but evidence of wholesalers in connection with the wholesaling of bacon was not forthcoming.

Poultrymen's Union.

William J. Haddock, of the firm of Parsons & Haddock, stated that the Poultrymen's Union had proved a potent factor in the egg market. The Union had been designed to eliminate the wholesaler and bring eggs direct from the producer to the consumer, but in some respects the Union had been unable to make as large returns to its shippers as wholesale firms had.

In reply to a direct question from J. B. Pattullo, K.C., counsel for the Government, the witness said he thought that the price of eggs had been higher since the Union had come into existence a few months ago. He admitted a percentage of profit on gross sales of about eight per cent yearly. The annual turnover for his firm was approximately \$650,000 on a capital of \$50,000. Operating and overhead expenses approximated about five per cent on the turnover. This year there would be about 6 1/2 per cent.

TAXES IN SEATTLE.

Seattle, Oct. 8.—Seattle's tax rate for the expenses of its city government will be 3.55 mills greater in 1920 than in 1919, the total fund to be raised by taxation being \$1,625,397.32 more than this year.

PREPARING PLAN NOW FOR IRELAND

British Cabinet Hastening Work as Urgency is Realized

London, Oct. 8.—Parliamentarians say an Irish bill will be the feature of the next session of Parliament, and the Cabinet is now considering one drafted on lines of Dominion Home Rule, but with suggested alterations that any country may stand out, or the Ulster countries may be included and have their own Legislatures.

The Government's Irish policy is rapidly taking shape under the pressure of recently developed circumstances which surprised the Cabinet, says The Daily Mail. The law officers of the crown, The Mail states, discovered, after careful examination of the "Suspension Act"—an act carried during the war to postpone the operation of the Home Rule Act—that under its terms the Home Rule Act becomes operative on the day the peace treaty is signed by Turkey, the last belligerent to sign.

Opinion Urgent.

It was generally assumed, the newspaper adds, that the Suspension Act would operate six months longer, when other measures, such as the Defence of the Realm Act, would terminate, but the ruling of the officials upset this view. The Government, however, according to the newspaper, is under urgent necessity for formulating Irish proposals and the carrying of them as an amendment to the Home Rule Act unless the latter is to become operative as it stands on the statute books.

The Daily Mail points out that for this purpose the Government only has six weeks, as it is expected that Parliament will meet a fortnight hence, so there will be only one month of parliamentary time in which to carry out the proposals.

Generous Proposal.

The scheme has not yet been fixed definitely, but the Ministers have decided to offer the Nationalists of Ireland what they describe as a very generous proposal indeed. Undoubtedly it will take the form of a wide measure of home rule, but the pledges given to Ulster are held as binding, and the exclusion of all countries where Ulstermen predominate is contemplated. It is thought that the system of proportional representation recently enacted for the Irish municipal elections will be applied in the elections under the Home Rule plan.

The Cabinet Committee which was constituted to draft the Irish proposals has met yesterday, and the whole Cabinet yesterday. The Mail says, discussed the scheme and carried it further.

DRINK IN JAMAICA WILL ATTRACT MANY MEN FROM STATES

New York, Oct. 8.—Jamaica is going to be the "mecca" of American anti-prohibitionists this winter and the exodus from the United States has already begun, according to the Rev. Christopher Sullivan, a Jesuit missionary who arrived to-day. Many hotels on the island, Father Sullivan said, had been closed during the summer to prepare for the "wet" season, when there will be in full swing in two months. American tourists, he said, formerly spent about \$500,000 annually in Jamaica, but the amount the coming year, he believed, would exceed \$1,000,000.

MISSION WORK OF METHODIST CHURCH

Toronto, Oct. 8.—Appropriations for mission work at home and abroad for the coming year amounting to \$1,156,165 were authorized by the General Board of Missions of the Methodist Church here yesterday.

The Board agreed to release Rev. J. H. Arnup from his duties as Assistant Secretary of Foreign Missions to act as secretary of the national campaign of the Methodist Church.

A recommendation from the Saskatchewan Convention that a missionary superintendent be appointed for work among the non-English speaking people was not sustained by the Board. The delegates from Saskatchewan urged strongly the need for a special superintendent, but the Board thought that the time was not ripe for such an appointment.

BIG AUTUMN FUR SALE IN NEW YORK

New York, Oct. 8.—A total of \$1,200,000 worth of furs changed hands at the autumn fur auction here yesterday. This is said to establish a record for a single day's sale and brought the grand total since the auction opened up to \$2,200,000.

The record yesterday was considered remarkable in that not one of nearly 600,000 pelts sold brought more than \$43. Increases over last spring's sales ranged from ten per cent. on flying squirrel to sixty per cent. on nutria. The only decline was in the price of Australia fox which dropped twenty per cent.

PASSENGERS KILLED IN CRASH TO-DAY IN NORTH OAKLAND, CAL.

Oakland, Cal., Oct. 8.—Four persons were killed and four fatally injured, according to the police, as the result of a San Francisco-Oakland Terminal Railway (Key Route) train striking a jitney bus in North Oakland yesterday. The train was being run by strikebreakers, as all of the company's platform men are out.

Is the Alien a Menace?

IN the October issue of MACLEAN'S MAGAZINE a strong presentation is made of the reason why the people of the West are against further foreign immigration.

"The Menace of the Alien" depicts the foreign problem in the Canadian West as it exists to-day, and shows every one of us why we must Canadianize our Ruthenians, Austrians, Slovaks, and our fifty-seven other varieties before we allow any further "unrestricted" immigration.

This article is written by a member of MACLEAN'S MAGAZINE staff who has just returned from a careful, personal investigation of the situation. Shall we have a "White West?" Many Westerners are demanding it. Are the aliens to swing labor into the bosom of the O.B.U.? It is being done—and what must we do to stop it?

The "inside" story of the routing of the Drumheller miner aliens by returned Canadian war veterans is here told by MACLEAN'S for the first time. What leadership must be substituted for the O.B.U. leadership of these foreigners?

The October issue of MACLEAN'S is a Western number in the sense that it contains many articles and stories of distinctly Western interest. For instance:

X "Those Pesky Farmers Out West"

By Hopkins Moorhouse, Author of "Deep Furrows"

They have completely upset the old order of things. No longer will politics consist of the comfortable fight between the Ins and Outs with the old party lines maintained. The grain growers on the Prairies have upset the calculations of the professional politicians and completely changed the face of Dominion politics.

X "Fifty Years in the West"

By Professor W. T. Allison

A breezy and readable sketch of the business career of Winnipeg's veteran business man, James H. Ashdown.

"Further Discoveries of New Land"

By Vilhelm Stenstrom

The final and most interesting instalment of Mr. Stenstrom's story of his wonderful trip of five years' duration in the Canadian north in which he tells for the first time of finding new continents in the Arctic and hoisting there the Canadian flag.

X "The Banashie Bell"

By Edith G. Bayne

A bright love story laid in the mountains of British Columbia.

Other Splendid Features of October MacLean's

X "The Turmoil at Ottawa"

By J. K. Munro

A comprehensive survey of Dominion politics, written with complete impartiality and absolute candor. It is bright and breezy, with a knock in every line for the political opportunists. It plucks many tail feathers from our party leaders.

"Spanish Doubloons"

By Camille Kenyon

The start of a bright and fascinating serial story by a brilliant young writer. It is the Spanish Main brought up-to-date, treasure hunting with a background of fun and romance.

"The Airy Prince"

By Arthur Bowley Baxter

A complete novelette in which is presented a bird's-eye view of England in time of war. It is one of the most brilliant stories that has been written of recent years.

"His Majesty's Well-Beloved"

By Baroness Orcy

The latest novel by this popular authoress appearing exclusively in MACLEAN'S.

"Ebb and Flow"

By C. W. Stephens

A strong business story laid in the province of Quebec.

FISHERIES INQUIRY ADJOURNED TO FRIDAY

Evidence Concluded at Duncan; Next Sitting Will Be at Nanaimo

Chief Scholten, of the Quamichan, proved an interesting witness at the fisheries inquiry yesterday. He tells his people always to be good, he said, to obey the laws and get along with the white people.

Bill Goloslock, of the Quamichan, said he wanted to be as brothers with the white people. His chief had spoken truly of the needs of his people, and they wanted the white people to see that the Indians had their food. He pointed to the large gathering of Indians present who wanted the people to see that they got fish and were allowed to sell them, as the money was spent in Duncan stores. It was not breaking the law to do this. He wanted the Government to be good to the Indians as the Indians were good and loyal people.

He thanked the commission, and was grateful for the inquiry, and he hoped that good would come of it for the Indians.

J. H. Costley, of the Cowichan Lake Hatchery, was Mr. Cowan's first witness. He said in 1914 there was a good run of spring and cohoes. In 1915, poor; in 1916, poor; 1917, poor; 1918, good; and about equal to 1914.

Conservation of Fish.

Reasonable fishing and elimination of obstructions in the rivers, with the aid of the artificial hatchery should serve to maintain the supply of fish. Witness gave the figures showing that the output of the hatchery were as follows: 2,573,500 for 1918, fish of all classes and 3,253,900 for 1919. The average egg supply was about 3,000 to one spring salmon, 2,000 to cohoes and very small production from steelhead.

Witness considered improvement of Skutz Falls would remove detriment to fish propagation. He said seventy-five per cent. more male fish reached the spawning grounds as female fish with its burden of eggs was much heavier and could not jump the falls.

Col. J. H. Cunningham quoted figures to show that outside fishing had not depleted the supply. Fish do not school until they get inside the boundary line of the bay reserves. If licenses were granted where salmon school the catches would be much larger, and the further out netting is done the better for the keeping up of the supply.

Mr. Cowan pointed out that this further removed the insinuation that there was anything wrong about moving the Cowichan Bay boundary post further out.

No Serious Depletion.

Witness did not agree that the depletion was as serious as some of the previous witnesses would make it appear. Col. Cunningham disagreed with Mr. Babcock's opinion and drew a distinction between the opinion of a man who was not responsible for fishery administration and one who was.

He asked what would become of all the investment in canneries if the selling were disallowed.

Would you sacrifice the food supply to the interests of these canners? asked Mr. Elliott.

Witness said that if laws were observed there would be no serious depletion. The war had made a great demand for fish and fishing had been carried on intensively. He did not look for such a great demand for Fall fish from now on. More guardians have been appointed and the waters will be better patrolled.

He denied that many of the licenses granted for outside waters of Cowichan Bay were issued on the assumption that they would cover mostly the catching of chum salmon.

Witness did not see how anyone having any understanding of the fisheries could get such an idea. There was never at any time any instructions or correspondence limiting the Lommi Bay Co. to the taking of chum fish or any other course grade.

E. G. Taylor, Fisheries Officer, Nanaimo, denied that the boundary mark at Cowichan Head had been moved twice. It was moved once, under departmental instructions. He had not induced the Indians to disobey the laws nor did he block prosecutions against offenders.

"It is pretty well established that you did not, when they bring no witnesses to substantiate it," said Mr. Cowan. Witness said that in connection with a story circulated to the effect that a prosecution had been withdrawn, the offence had been fully investigated by himself, together with the Government and Indian Agents, and there was no clue to the culprit.

Witness said that Cathcart, the man complained of as having been made an inspector at Nitinat, had been recommended by him and appointed by Ottawa. The charge of aiding, abetting and encouraging violations of the regulations brought against Mr. Taylor should be withdrawn by Mr. Elliott. Mr. Cowan suggested, as there was no evidence to support any of the charges. Mr. Elliott ignored the suggestion and witness emphatically denied the insinuations.

Followed instructions. Robert Colvin, fisheries officer, testified that he had always followed departmental instructions. In answer to Mr. Cowan he told of destroying three illegal nets in Cowichan Bay and he said that prosecutions were brought in every case where warranted.

Wm. Galbraith was the last witness.

Our Fall Stocks of Women's Suits and Coats Offer an Unusually Fine Choice at Favorable Prices

Handsome Styles in Fall and Winter Coats

IN WOMAN'S DOMAIN

Social Personal

Miss Doris Wilson has gone over to Vancouver for a few days on a visit to Miss Helen Law, Burnaby Street.

Mr. and Mrs. P. G. Shallcross arrived in the city this morning from Vancouver to attend the wedding of Col. Humble and Miss Vera Mason.

Miss Eva Loewen has returned to her home in Vancouver after being the guest of the Lieutenant-Governor and Lady Barnard for the past few weeks.

At Breadalbane, 1185 Fort Street, on Saturday evening, the Rev. Dr. Campbell celebrated the marriage of Robt. Cunningham and Mrs. Nettie Caldwell. Both of this city. They were accompanied by Mr. and Mrs. Goldstraw. After a trip around the Sound cities Mr. and Mrs. Cunningham will make their home at Westholme.

The marriage of Harold Miles, of Vancouver, and Miss Helen Skellington, took place in St. John's Church on Monday, October 6, at one o'clock. The bride was given away by Mr. Halford and Mr. F. H. Lynn acted as best man. The ceremony was performed by Rev. F. A. P. Chadwick in the presence of a few close friends of the bride and groom.

A. H. Finlayson, a native son of Victoria, and former champion lacrosse and basketball player, sculler and all-round athlete of that city, and for several years a member of the Dawson customs staff, and Marlon Granger, long-time resident here and of Dominion Creek, surprised their friends when they were quietly married last week at Eagle, Alaska, where practically everyone afterwards attended the reception in their honor. They will make their home in Dawson.

Mrs. Richdale, who succeeds Mrs. A. E. Hodgins as president of the Ladies' Auxiliary to the Army and Navy Veterans of Canada, is well-known as a philanthropic worker in the city, having been associated with various benevolent lodges here for the past twenty years. She has the distinction of having been the founder of the Order of the Eastern Star in this city. During the past year, Mrs. Richdale held the office of treasurer in the Auxiliary and also acted efficiently as convener of the social committee.

At Christ Church Cathedral on Monday the marriage was quietly solemnized by Dean Quinton of Kathleen Norah, second daughter of Robert Grubb, of this city, to Angus Graeme Mercer, late lieutenant 29th Battalion, C. E. F. The harvest festival decorations furnished a pretty setting for the ceremony. The bride, who was given in marriage by her father, looked radiant in a bridal dress of white crepe de chine and nixon trimmed with silver, her veil of misty tulle being held in place with a wreath of orange blossom. Miss Aileen Grubb, sister of the bride, made a charmingly pretty bridesmaid in a frock of palest pink crepe de chine and black picture hat. Both bride and bridesmaid carried shower bouquets of pale pink roses and carnations. The best man was Lieut. D. Hoyle, of the 5th Regiment, C. G. A., a brother-in-law of the bride. Mr. and Mrs. Mercer, who were the recipients of many beautiful gifts, left by the night boat for Vancouver, where they will make their home.

CHAPTER RAISES "TALENT MONEY"

The monthly meeting of the Agnes Deans Cameron Chapter, I. O. D. E. was held last evening, the Regent, Mrs. L. H. Hardie presiding. The treasurer reported that ten members had handed in their talent money, making a total of \$148.55 derived from this source. The chapter is making a monthly donation to the Protestant Orphanage and Traveler's Aid.

The book presented to the Y. W. C. A. library for last month was "Mother Carey's Chickens," by Kate Douglas Wiggin. A standing vote of sympathy to the relatives of the late Miss Cotterill was passed. A letter was received from the Campbell Patriotic Club, heartily endorsing the resolution passed by the chapter, regarding the furnishing of a room in the Jubilee Hospital in memory of Nursing Sister Christina Campbell. A committee consisting of Mrs. MacFarlane, Mrs. David Miller, Mrs. W. G. Cameron and Mrs. Colman were appointed to have charge of this work. Mr. Wood was appointed to represent the Chapter at the meeting of the Provincial Chapter to be held in Vancouver. A report of the Municipal Chapter

Why Stay Fat? You Can Reduce

The answer of most fat people is that it is too hard, too troublesome and too dangerous to force the weight down. However, in Marmola Prescription Tablets, all these difficulties are overcome. They are absolutely harmless, entail no dieting or exercise, and have the added advantage of changing a large case is sold by druggists at \$1. Or, if preferable, they can be obtained by sending price direct to the Marmola Co., 864 Woodward Ave., Detroit, Mich. Now that you know this you have an excuse for being thin, but can reduce two, three or four pounds a week without fear of bad after-effects.

MUSICAL CLUB HONORS ARTISTS

Mrs. Green and Miss Izard Presented With Honorarium To-day

So successful, from the financial as well as from the musical standard, was the recital given recently by Mrs. Gertrude Huntley Green and Miss Mary Izard, that the Ladies' Musical Club, under whose auspices the recital was held, has been enabled to liquidate its debts and to start the season with a substantial balance on hand. Feeling that some tangible recognition should be made to the artists whose generous services made such a happy state of affairs possible, the Club decided to present each with an honorarium of \$100, together with an honorary membership in the Club.

The presentation was made at a delightful little tea given in the Empress Hotel this afternoon when Mrs. Green and Miss Izard were the guests of the Club executive. The affair was held in one of the private dining-rooms, the tea-tables being graced with Michaelmas daisies, dahlias and chrysanthemums. Those present were Mrs. R. B. Nash, president; Mrs. Gideon Hicks and Mrs. Duncan Campbell, vice-presidents; Mrs. Arthur Walsh, secretary, and the following members of the executive: Mrs. E. M. Love, Mrs. Hamlet, Mrs. A. E. Hodgins, Miss Harris, Mrs. Beilby, Mrs. R. Baird, Mrs. Umbach, Mrs. D. B. McCowan and Miss Russell.

In making the presentation to the surprised recipients, Mrs. Nash voiced the Club's thanks for the invaluable assistance rendered by the artists and wished them every success in the larger world of music which they are both about to enter.

"J" UNIT DANCE

I.O.D.E. Chapter Plans Enjoyable Function For Friday Evening.

Members of "J" Unit Chapter, I.O.D.E. will hold another of their very enjoyable dances on Friday evening in the Alexandra Club Ballroom. Heaton's five-piece orchestra has been engaged and dancing will be from 9 p. m. until 1 a. m. Tickets may be obtained from members of the Chapter or at the Empress Drug Store.

As all proceeds of the dance will be used to supply comforts to convalescent soldiers in the local hospital the dance should receive the public's generous support.

HUGE AUDIENCE AT RECITAL LAST NIGHT

Miss Ida Gardner and Harold Lyman With Edison Re-creations

It is not at all improbable that many of those who attended the recital at the Empress Hotel last evening, given by Miss Ida Gardner, contralto, and Harold Lyman, flutist, both of New York, went with some idea of scepticism, knowing that these artists were to be heard in conjunction with a phonograph, but it was quite evident, before the programme had gone very far, that the audience were perfectly convinced that an Edison phonograph re-creates so faithfully the re-creation could not be distinguished from the original.

Mr. Lyman in a few introductory remarks stated that the instrument which was used had been kindly loaned for the occasion by Mr. and Mrs. Ezra Carlow, of the Fawcett Apartments.

Miss Gardner is a great favorite with Edison owners, and her rich contralto voice was heard singing with the phonograph, and was proof that the living voice and the Edison were one and the same.

She would sing with the re-creation of her voice, and then suddenly pause and from the throat of the phonograph would come forth an exact reproduction of the voice of the singer, so that the audience was baffled in its attempt to realize which was which, but it gave them the opportunity to compare one with the other, and to acknowledge that no differences could be discerned.

It is a wonderful thing to have so conclusively proved to a musical public the remarkable achievements which have been accomplished by Mr. Edison, and proving to what a marvellous state of perfection he has brought his favorite invention.

Miss Gardner's rich contralto voice was immensely enjoyed as was evident from the hearty and prolonged applause which greeted her every number on the varied programme, and she was particularly pleasing in such well-known favorites as "Bend-meer's Stream," "There's a Long, Long Trail," "Mighty Lak a Rose" and "I Know Where I'm Goin'."

The flute, an instrument seldom heard in solo, and yet so close in quality of tone to the human voice, was handled in an artistic and proficient manner by Mr. Lyman, his playing of his own re-creations being greatly appreciated, and the tonal qualities of his instrument were faithfully reproduced on the phonograph.

The Barcarolle from "The Tales of Hoffman" was a most enjoyable number, those taking part being Miss Gardner, Mr. Lyman and the New Edison, and this number was vociferously applauded.

A re-creation of Anna Case's voice singing "Charmant Oiseau," from the Pearl of Brazil, the flute obligato, so delightful and effective in this song, being given by Mr. Lyman, was an extremely choice selection.

Several numbers were given by the Edison alone, and at once gained the rapt attention of the large audience, who listened with pleasure and delight.

Mr. Herbert Kent is deserving of the thanks of the public for his efforts in placing before the people of Victoria such unique, instructive and entertaining recitals, this being the fourth of a series which have been held at the Empress.

WOMEN ARE CARELESS

This has been proved over and over again during the war. They over-estimate their physical strength and overtax it. Their ambition is commendable, but does not compensate for the hours and days of misery which they suffer from symptoms caused by female ills brought on by overwork. Women who are weak, nervous, despondent, with headaches, backache and dragging-down pains should remember there is one tried and true remedy, that is Lydia E. Pinkham's Vegetable Compound, now recognized everywhere as the standard remedy for such ailments.

MACLEAN'S FOR OCTOBER.

The Canadian West is featured in several of the articles and stories which appear in the October issue of Maclean's Magazine. Three articles are devoted to western problems, one of the most stimulating being entitled "The Melancholy of the West." In this, the writer, who has recently completed a trip through certain parts of the West, discusses our alien problem with virility and frankness and draws the reader's attention to the dangers which may arise if Canada continues to welcome fifty-seven varieties of foreigners to these shores. "Those Pesky Farmers Out West," is the title which will attract. Underneath this title is a story by Hopkins Moorehouse, well-known as the author of "Deep Furrows." "Fifty Years Out West" is the story of James Ashdown's career, told by Prof. W. T. Allison.

Other articles of particularly timely nature are: "What they will do to prices," an interview with W. F. O'Connor, K.C., vice-chairman of the Board of Commerce. This was apparently written before "That Man" O'Connor's embroglio with the farmers, but Mr. O'Connor has a number of other things of interest to say on the subject of price-fixing. Then, of course, there is J. K. Munro's usual pungent and forceful description of current Canadian politics: "The Turmoil at Ottawa," and the concluding instalment of Steffanson's story of Arctic discovery.

The stories are particularly strong—and given in generous portion. A novelette, which is undoubtedly the best "short" story Maclean's has ever published, is entitled "The Airy Prince," and written by Arthur Beverley Baxter. It is whimsical, fanciful, lifting—full of color and fascination, and not the semblance of a plot. It doesn't need it. The other stories are by C. W. Stephens, Camilla Kenyon (a new writer who starts off with a very promising serial), Archie P. McKishnie, Edith G. Bayne and Baroness Orczy. There is also a poem by Mary Josephine Benson.

Sprott-Shaw Night School opens Oct. 7th. Courses for everybody. Send for particulars now. Sprott-Shaw Business Institute, Pemberton Building, Phone 28.

PROPOSAL TO FASTEN SPEED AUTO TRAVELS

Hon. Dr. King Gets Suggestion as Accident Preventive

Hon. J. H. King, Minister of Public Works, has received from one of his district foremen a suggestion for recording in a permanent fashion the rate of speed travelled by automobiles. The proposal is intended to create proof of speeding with a view to its introduction as evidence in case of accidents by collision or from causes in which excess speed is usually the chief contributor.

It is presumed that the speedometer people could be induced to manufacture such an instrument with a dial capable of recording 500 or 1,000 miles without renewal, the suggestion being that the dials be installed by the officers of the Provincial Police or representatives appointed by the Department of Public Works, such official to seal the dial on affixing it in its proper place. The proposal, however, is a tentative one and will be taken under advisement by the Minister on his return from the Mainland.

Recording measures, of course, are used in mines for the purpose of ascertaining the presence of gas, air pressure and so on. Speed gauges also are used extensively in the deep mines of South Africa where hoisting engines are employed in large numbers. Introduction of the system

there, moreover, has been followed with excellent results in that accidents have been reduced to the minimum.

Engagement Announced—A marriage has been arranged and will shortly take place between Della, widow of the late Ernest V. Bodwell, K. C., and Captain C. A. M. Cator, M. C., son of the late Albemarle Cator, of Woodbastwick Hall, Norwich, England.

A CAPITAL WAY TO AVOID "FLU"

Well Worth Trying.

Of all the suggestions made for preventing the "flu", none seems to be more worthy of trial than the use of Dominion C. B. Q. (Cascara Bromide Quinine Tablets) immediately attacks the germs and, increasing the secretions of the stomach and liver, clears the system with certainty yet without weakening effects. There are none of the buzzing sensations peculiar to the Sulphate of Quinine.

Made by that old and reliable firm, The National Drug & Chemical Co. of Canada, Limited. At all druggists, in the Red Boxes.

To Rid Yourself of La Grippe, Colds NEURALGIA, HEADACHES, etc., use DOMINION C. B. Q.
Tablets (in the red box) 25 cents.

GUN-A-NOOT CASE GOES TO THE JURY

Expectation Is Verdict Will Be Rendered at Vancouver To-night

Vancouver, Oct. 8.—The case of Simon Gun-a-Noot went to the jury this afternoon. It is expected that to-night a verdict will be rendered as to whether the super-Indian of the Northwest was or was not the murderer of Alec Mackintosh near Hazelton nearly fourteen years ago.

The only interesting testimony today came in a statement by James McPhail, who said that some years ago an Indian who looked like the accused and who went by that name, told him something to the effect that one white man was killed, but as for two, that was quite wrong.

The Indian's counsel confidently expects an acquittal.

HARBOR DREDGING TO BE RESUMED

Deepening Operations Also at William Head, Hon. Dr. Tolmie Announces

Dredging operations in Victoria Harbor are to be resumed, it was announced today by the Hon. Dr. S. F. Tolmie, Minister of Agriculture, who returned yesterday from Ottawa.

The dredging was suspended during the war in order to economize. This was on the advice of harbor experts who said that the harbor was in fair shape for the shipping traffic that uses it.

There is certain work that the harbor experts say should be done now, but as the amount of work was not considered sufficient to warrant placing a dredge here, there was a possibility that it would be postponed.

J. C. McIntosh, M. P. for Nanaimo, however, learned that there was a quantity of dredging required at Williams Head quarantine station. It was suggested that the two jobs be grouped and done with the one dredge. This was acted upon and Mr. McIntosh telegraphed Dr. Tolmie on his arrival here that arrangements had been made at Ottawa for the work to be undertaken.

OBITUARY RECORD

The death took place yesterday morning at an early hour of Mrs. Jane Oliver, relict of the late Frederick Oliver, who for many years was agent for the Dominion Express Company, of this city. She leaves to mourn her loss two daughters, Mrs. P. Lester, of Honolulu; Mrs. J. W. Wilson, of White Horse; also one sister, Mrs. H. Dunn, in Syracuse, New York; one brother, Mr. J. Scobell, in Erie, Penn., and one niece, Mrs. H. Ferriard, of Seattle, Wash. The funeral will take place on Thursday, the 9th inst., at 2 o'clock from the Sands Funeral Chapel, Rev. F. A. Chadwick will officiate and interment will be in Ross Bay Cemetery.

HEALTH OF GENERAL IS PROPOSED AT GOVERNMENT HOUSE

General Sir Arthur Currie, G.C.M.G., K.C.B., and Lady Currie were entertained at dinner at Government House last night by Lieutenant-Governor Sir Frank Barnard and Lady Barnard.

Because of the importance of the return of the Commander-in-Chief of the Canadian army in France to his home city, the Lieutenant-Governor departed from the Government House custom of proposing only the health of the King at dinners. After the King had been toasted last night, Sir

BEECHAM'S PILLS

quickly help to strengthen the digestion, stimulate the liver, regulate the bowels and improve the health by working with nature.

Largest Sale of any Medicine in the World. Sold everywhere. In boxes, 25c.

Frank Barnard arose and proposed the health of Sir Arthur.

The General replied and gave reminiscences of his experiences at the front.

This afternoon the officers and members of the Pacific Club held a reception and presentation to the General, who is one of the oldest members of the Pacific Club.

Fined—E. Richards was fined \$5.00 in the police court this morning for driving a motorcycle with the cut-off open.

PRESENTATION MADE BY PACIFIC CLUB TO GENERAL CURRIE

General Sir Arthur Currie was today presented by the members of the Pacific Club with a bear skin rug. The presentation took place after luncheon and was made by Hon. John Hart, Minister of Finance. In reply Sir Arthur Currie made a few appreciative remarks for the splendid gift by the members of the club, and also briefly spoke of the work of the Canadian corps in the field.

He paid high tribute to the various departments of the Canadian army of which he had the honor to command, and appealed to the business men of the city to give the utmost consideration to the returned soldiers who had fully justified the confidence placed in them. The proceedings were presided over by George Tripp.

MINISTER VISITS DRYDOCK WORK

Borings at Skinner's Cove More Than Half Finished; Experts Consider Sites

Hon. Dr. S. F. Tolmie, Minister of Agriculture, who arrived in Victoria from Ottawa late yesterday afternoon, took up matters in connection with the speedy construction of the 1,100-foot drydock at Esquimalt first thing today.

Accompanied by Reeve Coles, of Esquimalt, Alderman Sangster, and Joshua Kingham, J. L. Beckwith, G. A. Kirk, Goulding Wilson and Fred Elworthy of the Board of Trade, the Minister spent the morning going over the three sites that are under consideration for the dock. C. C. Worsfold, chief engineer of the Federal Works Department, accompanied the party on their trip, which was made in a launch, and explained technical details in connection with the location.

The party paid particular attention to the boring operations being conducted by a large gang of men in Skinner's Cove. This gang has been quietly working on these borings for some time to make sure that if this site is finally chosen it will be most suitable. The Minister learned that the borings at Skinner's Cove are already more than half finished.

Hon. Dr. Tolmie announced after he had inspected the work, that it was being pushed as rapidly as such exacting operations can be, and that it would not be long now before the Government would have all the data on which to call for tenders for the actual construction of the dock.

Mr. Worsfold said that it has not yet been decided which site will be chosen, although much attention in the way of investigation is being paid to Skinner's Cove.

He announced that a choice would be made before very long and then it would be possible to start actual construction.

LEFT-OVERS

After every family dinner there are nutritious "left-overs" sufficient for another meal. Serve them over—Add a snappy relish—Add a dash of

MINISTER TO MEET WARD ONE TO-NIGHT; URGE REGISTRATION

Hon. Dr. S. F. Tolmie, Minister of Agriculture, who has just reached Victoria to conduct his by-election campaign here, is to meet all his supporters living in Ward I at the Unionist Committee rooms, 1317 Government Street, in the old Dixie Ross store, at 8 o'clock to-night. Women as well as men are to attend.

Members of Dr. Tolmie's campaign committee are working to make sure that everybody possible is registered on the voters' list before the court of revision closes this week. To give persons who are held at their work until late in the day a chance to register, Judge Lampman announced to-day that he will prolong his hours of sitting to 6 o'clock Thursday and Friday afternoons at the County Court, Court House. The Judge is at the court from 10.30 until 1 o'clock every morning and from 2.30 o'clock in the afternoon.

All that is necessary to get on the list is to appear in person before Judge Lampman and fill out a sheet testifying that you are a British subject and more than twenty-one years of age. It takes about forty-five seconds altogether.

Case Dismissed—The charge of obtaining money under false pretences against H. M. McRoberts was dismissed in the police court this morning.

A Temperature Test May Be the Means of Saving a Life

Fall is the season of changeable weather conditions, and as a result children are subject to much exposure. Slight colds and other ills may develop into something serious if not watched. The best way to determine the true condition children or adults who show signs of fever is to take their temperature with a reliable

FEVER THERMOMETER

NEW BARRISTERS ARE CALLED TO THE BAR

Large Number of Returned Men Take Up Legal Profession

The following barristers, most of them returned soldiers, have been called and admitted to the bar of British Columbia, Harold B. Robertson introducing the candidates to Mr. Justice Macdonald, presiding at the Court House here: Edward Bruce Irving, Gerald Herbert Sedger, John Greig and James Gordon Stanier, of Victoria.

The following were from various parts of the Province: Donald Hector Mackay, William Cabel Parker, Thomas Edward Lawrence, Alexander Ogston, Franklin Kay Collins, Farnk Drewe Pratt, Frederic Fraser, Warwick Addison Woodward, Geoffrey Thomas Spencer Sandby, Cedric Boileau Reid, John Howard Godfrey, Thomas Weeks, Donald Gordon Marshall, Harold Brown, Ernest Allan Boyle, James Leslie Goddard, Wraithman Sheridan Turner, James Enos Brett, James Livingstone Watson and Thomas John Morgan.

PRINCESS

That great laugh producer, "The New Boy," in which Mr. Weldon Grossmith for a long period appeared so successfully, will be produced by R. N. Hinks and his merry band of players on Friday evening next at the above theatre. One of the funniest plays ever written, it will appeal greatly to the large number of patrons who failed to witness this excellent performance when it was previously produced. At that time Mr. Hinks and his associates had not secured the patronage of the public that is at present enjoyed by them and large and capacity houses are sure to witness one of the most enjoyable entertainments that has ever been prepared for their amusement. The box office is now open.

Dance. — Foundation Club House, Wednesday evening, 9-11. Ozard's 5-piece orchestra. Admission 50c.

Cordeva Bay Tea Rooms—Warm and cosy; refreshments at all hours, day and evenings; a delightful and pleasant drive.

Ladies' Auxiliary to Army and Navy Veterans of Canada will hold the first of a series of dances in Alexandra hall Wednesday, October 8, at 9 o'clock. Ozard's orchestra.

Metropolitan Schoolroom. — Something novel, an "indoor" garden party given under the auspices of the Ladies' Aid Society, Tuesday afternoon and evening. Afternoon tea will be served, various booths and other attractions; programme during the evening. Admission 10 cents. A cordial invitation is extended to everyone as this takes the place of our annual fall rally.

Woolen Goods in great variety are now to hand at the Beehive. New Shetland floss, very fine range Fall underwear, knee length; combinations for children; school hose, 3 for \$1 and 50c.

"The Howls of a Dingo"

Many Caught Last Night—Many plants were caught in the frost. Better get your plants in now. Earthen flower pots, 3 in. to 12 in., 10c to 75c; fancy jardiniere, 25c to \$5. R. A. Brown & Co., 1302 Douglas St.

British-Israel.—Rev. W. P. Goard, of Vancouver, will lecture this evening on "Britain's Mission Among the Nations." If we are not Israel of the Ten Tribed Kingdom, to whom the Lord turned when rejected by the House of Judah, how is it that all the prophecies concerning the Kingdom of Israel are fulfilled in the Anglo-Saxon Nations? Make a point of hearing these lectures each night this week in Church of Our Lord Schoolroom, Humboldt and Blanshard Streets, 8 p.m. Admission free.

For the Winter Months

SMART WEDDING AT CATHEDRAL TO-DAY

Fashionable Gathering at Nuptials of Col. Humble and Miss Mason

Christ Church Cathedral was filled with a gathering representative of the social world of Victoria and Vancouver for the wedding at three o'clock this afternoon of Col. B. M. Humble, C.M.G., D.S.O., youngest son of the late Rev. Maugham Humble, Emanuel College, Cambridge, to Vera Ada Mason, daughter of the late Joseph Mason, M.P.P., and Mrs. Stevenson, 929 Bardett Avenue, Victoria.

Entering to the strains of the Bridal Chorus, played by Dr. Watson, the Cathedral organist, the bride looked radiantly lovely, her dark beauty being enhanced by her hand-some gown of ivory georgette and champagne satin. Her snowy veil of net was caught to the hair with pearls, the same jewels edging the folds of the veil which fell in graceful lines to the floor forming a train. She carried a sheaf of calla lilies and was attended by three bridesmaids. Miss Muriel Dunsmyr, daughter of the Hon. James and Mrs. Dunsmyr, wore a charming frock in which blue taffeta was fashioned in overdress effect over a jupe of gold lace. A hat of pale pink completed the striking toilette. Little Miss Daphne Pooley, daughter of R. H. Pooley, M.P.P., and Mrs. Pooley, and Miss Betty Monteith, niece of the bride, were childhood winnows in their frocks of embroidered pink chiffon. Each wore a flowing veil of shell-pink tulle, caught to the head with a wreath of pin crosses, and carried a graceful basket filled with the same lovely blossoms. The bridegroom was supported by Major Sell, of Vancouver.

After the ceremony the bridal party and guests repaired to Government House, where a reception was held. The Lieutenant-Governor and Lady Barnard assisted in receiving the guests who attended to voice their felicitations to Col. and Mrs. Humble.

Elks' Smoking Concert — All arrangements are about complete for the grand smoking concert to be held in the Elks club rooms, Campbell Building, to-morrow night. A special invitation is extended to the members of the old Camosun Club, and in their honor the night has been named Camosun night. The chairman will be W. P. Marchant, the first president of the Camosun Club, who will give a ten-minute talk in welcoming the guests. It is hoped that as many of the old Camosun Club members as can make it convenient will be present, and no pains are being spared to ensure everyone a thoroughly good time. The entertainment, which is entirely free, will include songs, recitations, instrumental selections, etc., by many of the best local artists. During the evening refreshments will be served to the guests.

"SYRUP OF FIGS" CHILD'S LAXATIVE

Look at tongue! Remove poisons from stomach, liver and bowels.

Accept "California" Syrup of Figs only—look for the name California on the package, then you are sure your child is having the best and most harmless laxative or physic for the little stomach, liver and bowels. Children love its delicious fruity taste. Full directions for child's dose on each bottle. Give it without fear. Mother! You must say "California."

DENIES REPORTS OF PARTY DISRUPTION

Hon. Dr. Tolmie Says Trouble Stories Are Put Out by Opposition News Writers

The Hon. Dr. S. F. Tolmie, Minister of Agriculture in the Federal cabinet, on his return to the city met his supporters last night in his campaign committee rooms, 1317 Government Street, in the old Dixie Ross store. The workers gave him an ovation when he entered and then he spoke to them for a few minutes.

"We have heard a great deal about the Union Government, and much criticism out this way and many unfounded accusations," said the Minister. "Those people in the East who have the welfare of the country at heart and who are in closer touch with what the Government is doing and aiming to do are not voicing the unfounded charges one hears out this way."

"There are some disgruntled politicians and writers in the pay of the opposition forces who are sending out reports of disruption in the Government, but I know those reports are false."

Ovation Given Premier. "At a recent caucus session, Sir Robert Borden was the recipient of one of the greatest receptions I ever saw or heard of. Sir Robert, in bad health, a condition the direct result of his hard work in behalf of the Dominion during the great stress of the war, was accorded a testimony from his fellow-members of the Cabinet, which was at once unanimous, whole-hearted and remarkable."

The Minister declared that with a debt aggregating nearly two billions and costing \$115,000,000 a year to carry, economy was necessary in Government expenditure. He urged support of the Victory Loan, which would make possible a resumption of necessary public works, closed down during the war.

He commended the Government for taking steps to prevent Orientals from voting. He said they were getting too strong a hold in British Columbia without being given the right to vote.

Joshua Kingham, manager for the Hon. Dr. Tolmie, said that Victoria could rest assured that the drydock would be built at Esquimalt from information the Minister had given. He urged energetic support of Dr. Tolmie as if re-elected he would be in a position to continue to do good for Victoria.

EXTEND HOURS OF COURT OF REVISION

In order to give everyone a chance to get on the Voters' List so that they may vote in the Federal election, Judge Lampmann will extend the hours of the Court of Revision until 6 o'clock to-night and to-morrow night and until 5 o'clock Saturday afternoon. An average of about 150 new names are added daily and as all of Judge Lampmann's time is taken up with the Court of Revision there are no County Court trials this week.

MISS COTTRILL BURIED TO-DAY

Was For Several Years House Superintendent of Victoria Y. W. C. A.

Friends and habitues of the Victoria branch of the Y. W. C. A. will leave with the deepest regret the death of Miss Emily Cottrill, who succumbed yesterday morning to an illness of over five months' duration. The late Miss Cottrill was the eldest daughter of the late Robert Cottrill of Dobroyd House, Bolton, Lancs., England. For several years she held the position of House Superintendent at the Y. W. C. A., being with the local branch at its former headquarters at the corner of Courtney and Douglas Streets and occupying the same position when the removal was made to the present quarters in the Stobart-Peace Building on Yates Street.

A breakdown in health, however, necessitated her relinquishing the position in January last, since when she has been confined to her home at 1507 Laurel Lane. Blood poisoning supervened upon her illness and Miss Cottrill underwent much suffering during the past few months until the end came yesterday.

Tribute to her memory is paid by Mrs. Beckwith, president of the Board of Directors of the Y. M. C. A. who to a Times representative this morning made feeling reference to the lovable personality and unflinching devotion to duty shown by the late Miss Cottrill throughout her association with the Y. W. C. A.

Funeral To-day. Many of her former friends attended the obsequies which were held this afternoon. The cortege left the B. C. Funeral Chapel at 1:45, proceeding to Christ Church Cathedral where the Very Rev. the Dean of Columbia conducted the impressive service. Many lovely floral tributes testified to the esteem in which the late Miss Cottrill was held. The pallbearers were Messrs. Percy Wollaston, Frank Burrell, George Walsh, H. A. Macleod, James Forman, and J. T. Dickson. Interment was made at Ross Bay Cemetery.

AUXILIARY HONORS FORMER PRESIDENT

Army and Navy Auxiliary in Annual Meeting Yesterday

The Ladies' Auxiliary to the Army and Navy Veterans held their first annual meeting yesterday afternoon when the following officers were elected: First vice-president, Mrs. Harry Chapman; second vice-president, Mrs. Slavin; treasurer, Mrs. Williams; secretary, Miss Elsie Hodgins; and the following to the executive: Mrs. Beaumont Boggs, Mrs. Chambers, Mrs. Ella, Mrs. Forrester, Mrs. Healy, Mrs. Lincoln Smith, Mrs. Ruddock and Mrs. J. B. Wilson; to the finance committee, Mrs. Charles Wilson, Mrs. James and Mrs. H. J. Young; membership convener, Mrs. Forrester.

Mrs. Richards, who was elected president recently on the retirement of Mrs. A. E. Hodgins, was in the chair. A pleasing incident was the presentation to Mrs. Hodgins of a lovely basket of pink carnations as a token of the Auxiliary's appreciation of her capable leadership during her term of office. Mrs. Chapman, the first vice-president, in making the presentation on behalf of the members, expressed the general regret at Mrs. Hodgins' retirement, and hoped that she would be able to continue her active interest in the work of the Auxiliary.

The treasurer's report showed a bank balance of \$306.85 and the statement showed that the year's receipts had been \$1,800.71. "The report of the retiring secretary, Mrs. Watson gave a comprehensive review of the activities of the Auxiliary during the year. The meeting authorized the treasurer to pay all the expenses of last week's convention of the Army and Navy Veterans.

The Kiddies Enjoy Cuticura Soap

This pure, fragrant emollient is just suited to the tender skins of infants and children. Millions have known no other since birth. The daily use of it, with touches of Ointment now and then to little skin and scalp troubles, tends to insure a healthy skin, a clean scalp and good hair through life. Soap, Ointment and Talcum sold everywhere.

Be sure to test the fascinating fragrance of Cuticura Soap on your skin.

Frail Lickly Children

Gain Strength Rapidly on Vinol

Vinol is successful because it is a non-secret remedy which contains Beef and Cod Liver Peptones, Iron and Manganese Peptonates and Hypophosphites—but no oil—the very elements needed to build up strength and robustness. Children love to take it.

The Wonderful Efficiency of Vinol is proven by these letters

"My little daughter, 13 years old, overworked and was run-down, tired all the time, nervous, had headaches, couldn't eat and had to stay out of school. Vinol has built her up. She has a good appetite, no more headaches and has returned to school."
—Mrs. L. Andrews, Bainbridge, N. Y.

"My little boy was weak, puny, and tired all the time, did not want to do anything. Vinol was recommended and it built up his strength and made him healthy. Now he romps and plays like other children. We certainly believe in Vinol for children."
—Harley Clay, Williamson, W. Va.

For all run-down, nervous, anemic conditions, weak women, overworked men, feeble old people and delicate children, there is no remedy like Vinol.

Your money will be returned if Vinol fails—Leading Druggists.

Vinol Creates Strength

PRIZE WINNERS SAANICH FALL FAIR ANNOUNCED

Sir Arthur Currie Formally
Opened Fair Yesterday
Afternoon

Contrary to expectation, General Sir Arthur W. Currie formally opened the Saanich Fall Fair yesterday afternoon, the pressure of public engagements necessitating the change in the date of his visit. On arrival the distinguished soldier was greeted with hearty cheers from the waiting crowd. Sir Arthur, who was accompanied by Major-General Leckie, G.O.C., and Major Willis O'Connor, aide-de-camp, was welcomed by F.A. Pauline, M.P.P., Kenneth F. Streetfield, president of the North and South Saanich Agricultural Society, and other members of the directorate.

His First Dollar.
After inspecting the exhibition in company with President Streetfield and Secretary Colin A. Chisholm, General Currie formally opened the fair. In his brief address he cited his pleasure at being again in Saanich, of which he had pleasant memories as being the place in which he earned his first dollar after coming west twenty-five years ago. After congratulating the Society upon the quality of the exhibits, the General referred in eulogistic terms to the work of the army of producers at home without whom the army in the field would have been powerless, paying special tribute to the women.

Speaking of the closing days of the war, he said that those at home had wondered why the armistice came when it did, at a time when the enemy was facing disaster and when a decisive victory for the Allies

seemed in sight. As a matter of fact, continued Sir Arthur, the armistice came at a moment when our effort had reached its climax. We could not have gone another mile, all the avenues for advance being blocked more effectively than the enemy realized. Roads were in such a state that progress was impossible without the long preparation which would have meant another spring campaign.

F.A. Pauline, M.P.P., then spoke briefly, expressing the appreciation of the district at the honor accorded by the distinguished soldier's presence at the fair.

Prize Winners.

Yesterday judging was completed in a number of sections, in which the prize winners were as follows:

Garden Produce for Table.

Special potatoes—Given by South Saanich Farmers' Institute for an exhibit of 25 pounds potatoes of one variety—1, H. E. Hallwright.
Early potatoes, white, 25 lbs., named—1, Edwin Taylor; 2, H. A. King.

Late potatoes, white, 35 lbs., named—1, P. T. Lemon; 2, W. D. Mitchell.
Early potatoes, red, 25 lbs., named—1, W. D. Mitchell; 2, P. T. Lemon.
Carrots, short horn, six—1, H. A. King; 2, P. T. Lemon.

Carrots, intermediate, six—1, J. Durance; 2, W. D. Mitchell.
Parsnips, six, hollow crown—1, J. Martindale; 2, W. S. Butler.
Summer cabbage, two—1, W. B. S. Polson; 2, Mrs. J. T. Reid.
Winter cabbage, two—1, J. Durance.

Red cabbage, two—1, Mrs. J. T. Reid; 2, J. Watt & Sons.
Savoy cabbage, two—1, J. W. Martindale.
Cauliflower, two—1, J. Watt & Sons; 2, A. Wright.

Onions, white, six—1, J. W. Martindale; 2, Mrs. J. T. Reid.
Onions, yellow, six—1, J. W. Martindale; 2, Mrs. J. T. Reid.
Onions, red or brown, six—1, J. H. Barker; 2, J. W. Martindale.
Shallots, twelve—1, J. H. Barker; 2, J. Durance.

Sweet corn, six ears—1, F. Turgoose; 2, J. W. Martindale.
Beets, long, six—1, J. W. Martindale.

Beets, globe, six—1, J. W. Martindale; 2, P. T. Lemon.
Celery, two bunches—1, W. S. Butler.

Squash, Hubbard, two—1, J. W. Martindale; 2, W. T. Butler.
Vegetable marrow, green, two—1, W. S. Butler; 2, J. W. Martindale.
Vegetable marrow, white or yellow, two—1, W. S. Butler; 2, J. M. Malcolm.

Spaghetti, one—1, Alec McDonald; 2, J. M. Malcolm.
Squash, any other variety—1, W. B. S. Polson; 2, J. W. Martindale.
Pumpkins, two—1, F. Wood; 2, J. W. Martindale.

Cucumbers, two, grown in open air—1, F. Wood; 2, J. W. Martindale.
Citrons, two—1, W. B. S. Polson; 2, J. W. Martindale.
Kale, two heads—1, T. Muirhead; 2, J. W. Martindale.
Leeks, six—1, T. Muirhead.

Tomatoes, six, grown under glass—1, F. Wood.
Tomatoes, six, grown in open air—1, F. Wood; 2, J. W. Martindale.
Special—Given by South Saanich Farmers' Institute, best collection vegetable seed grown by exhibitor—1, J. W. Martindale.

Grains, Grasses, Seeds, etc.
Special—Given by South Saanich Farmers' Institute, best collection of grain seeds, not less than 10 lbs.—1, W. D. Mitchell.
Hay, mixed bale—1, W. D. Mitchell.

Field Roots for Stock.
Turnips, white, six—1, P. T. Lemon.
Mangels, long red, six—1, H. A. King.

Mangels, yellow intermediate, six—1, H. A. King.
Mangels, globe, six—1, W. D. Mitchell; 2, J. M. Malcolm.

Pumpkins, two, heaviest—1, W. S. Butler; 2, J. W. Martindale.
Squash, two, heaviest—1, W. S. Butler; 2, J. W. Martindale.
Carrots, long white, six—1, Mrs. J. T. Reid; 2, H. A. King.

Carrots, red, six—1, P. T. Lemon.
Carrots, short red, six—1, J. M. Malcolm; 2, W. D. Mitchell.
Carrots, intermediate white, six—1, J. W. Martindale; 2, H. A. King.

Kohl-rabi, six—1, J. W. Martindale; 2, A. Wright.
Sugar beets, six—1, W. D. Mitchell; 2, P. T. Lemon.

Collection of vegetables—"Dr. J. W. Toimie cup" for annual competition, winner to hold cup until following exhibition; presented by J. W. Toimie—silver cup and \$5 won by J. W. Martindale, 1917; by W. Mitchell, 1918—J. W. Martindale.

Dairy Produce and Household Arts, etc.

Special—Given by South Saanich Farmers' Institute—2 lbs. fresh butter—1, Mrs. Morris.
Bread, white—1, Mrs. A. McKenzie; 2, Mrs. Bruce Butler.

Bread, best loaf made from Graham flour—1, Mrs. Bruce Butler; 2, Mrs. L. Hafer.
Bread, whole wheat—1, Mrs. Bruce Butler; 2, Mrs. A. McKenzie.

Bread, corn—1, Mrs. McKel; 2, Mrs. Nimmo.
Biscuits, 1/2 doz. baking powder—1, Mrs. Nimmo; 2, Mrs. McKay.
Cookies, 1/2 doz. sweet—1, Mrs. McKel; 2, Mrs. Nimmo.

Oak cakes, 1/2 doz. scotch—1, Mrs. Nimmo; 2, Mrs. Durance.
Nut loaf—1, Mrs. A. McKenzie.
Chocolate cake, iced—1, Margaret Macdonald; 2, Mrs. B. Seaford.

Cocoa nut cake, iced—1, Mrs. B. Seaford; 2, Mrs. S. Brethour.
Fruit cake, mixed—1, Mrs. Reid; 2, Mrs. McKay.
Apple pie, flat—1, Mrs. Nimmo; 2, Mrs. McKay.

A Sparkling, Refreshing Drink

Abbey's EFFERVESCENT SALT

A Pleasant Means of Keeping Well

Abbey's Effervescent Salt is "the ounce of prevention" that is worth pounds of cure. Abbey's prevents serious illness by overcoming simple ones.

Constipation is responsible for many of the Headaches, upset stomachs, attacks of Indigestion and Biliousness with which so many people suffer. Abbey's Salt corrects Constipation—clears the brain—purifies the blood—sweetens the stomach—promotes sound digestion—and improves the tone of every organ of the body.

Abbey's Effervescent Salt is so pleasant to the taste that children take it with pleasure.

RECOMMENDED BY PHYSICIANS AND DRUGGISTS.

of the meeting of the Retail Clerks' Association, last night was postponed, owing to the absence of E. S. Woodward, the president of the organization. It was hoped that Mr. Woodward would have returned from the East in time to address the gathering, but unfortunately he had not reached the city.

Care and Responsibility

THE responsibility attached to the preparing of a remedy for infants and children is undoubtedly greater than that imposed upon the manufacturer of remedies for adults whose system is sufficiently strong to counteract, for a time at least, any injurious drug. It is well to observe that Castoria is prepared today, as it has been for the past 40 years, under the personal supervision of Mr. Chas. H. Fletcher.

What have makers of imitations and substitutes at stake? What are their responsibilities? To whom are they answerable? They spring up today, scatter their nefarious wares broadcast, and disappear tomorrow.

Could each mother see the painstaking care with which the prescription for Fletcher's Castoria is prepared: could they read the innumerable testimonials from grateful mothers, they would never listen to the subtle pleadings and false arguments of those who would offer an imitation of, or substitute for, the tried and true Fletcher's Castoria.

Children Cry For

Fletcher's CASTORIA

A Word About Truth.

"Great is Truth, and mighty above all things." So says the Old Testament, yet it is equally true to-day. Truth shows no favors, fears no enemies.

From the inception of Fletcher's Castoria, Truth has been the watchword, and to the conscientious adherence to this motto in the preparation of Fletcher's Castoria as well as in its advertising is due the secret of its popular demand.

All imitations, all substitutes, all just-as-good preparations lack the element of Truth, lack the righteousness of being, lack all semblance even in the words of those who would deceive.

And you! Mothers, mothers with the fate of the World in your hands, can you be deceived? Certainly not.

Fletcher's Castoria is prepared for Infants and Children. It is distinctly a remedy for the little ones. The BABY'S need for a medicine to take the place of Castor Oil, Paregoric and Soothing Syrup was the sole thought that led to its discovery. Never try to correct BABY'S troubles with a medicine that you would use for yourself.

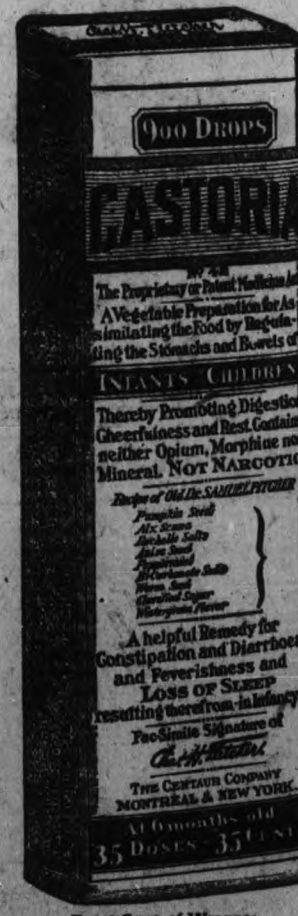

MOTHERS SHOULD READ THE BOOKLET THAT IS AROUND EVERY BOTTLE OF FLETCHER'S CASTORIA

GENUINE CASTORIA ALWAYS

Bears the Signature of

Chas. H. Fletcher.

Quick Turnover—Small Profits

—and down comes the price of clothing!

PROFITEER! Look at the prices below and you'll agree that the accusation cannot be levelled at us and substantiated. We are prepared to bring clothing prices down to the lowest mark on record in order to increase our turnover, for by doing so we can be of real service to the men of Victoria and vicinity. Yesterday and on Monday hundreds of men made purchases here and saved considerable money by doing so. We can carry on for a while yet, but soon our stock will be so depleted that we will have to terminate this sensational value-giving event. Come to-day, while the chance is open and while there is sufficient stock from which to make a satisfactory selection.

YOU'LL NEED NEW TOGGERY

pretty soon if not right now. Really good dressers are already wearing our shirts, underwear, collars, ties, socks, etc. Drop in for a look at the new styles, the new color combinations and all the newest ideas in men's wear. You'll have to admit the excellence of the showing and also the extreme modesty of the prices.

CUMING & Co.
727 Yates Street.
10 per Cent. to Returned Men.

LOOKING THINGS OVER

To Even Up the Series.
The Foundation stickholders showed good sportsmanship when they agreed to a post season series with the New Westminster dozen. With everything to lose and nothing to gain, they readily consented to give the Royal City players a chance to get the reflected glory of beating a team that had won world championship laurels although no title was at stake in the series. On the home ground in the first match the local men had no difficulty in getting the scalp, but on the two games at Westminster the Salmonbellies secured a one-goal lead. Next Monday Cotton's men will have their chance to prove their undisputed superiority by reducing the one-goal lead and piling up one or two extra counters for luck. The shipbuilders are not squealing but they could say a lot if they chose about the way the games were handled in the Royal City. When a Vancouver paper said "Westminster had to win" it said a whole pageful.

Tempting Wilde.
An offer of \$20,000 and expenses for a twenty-round bout with Pete Herman, world's bantam-weight champion, has been wired to Jimmy Wilde, the English champion, according to Walter Burke, New York sporting man, who is representing New Haven promoters.

The Bombardier to Return.
Born, Billy Wells, former British heavyweight champion, is to return to the ring in an attempt to regain the championship. It is announced. The promoter of the Holborn stadium has secured his signature to a contract calling for a series of matches.

VICTORIA NORTHWEST WORLD

Cincinnati Ready to Celebrate Victory Over Chicago To-day

Gleason Contends Sox Have Hit Championship Stride and Are Still in the Race

Cincinnati, O., Oct. 3.—Fighting with their backs to the wall but hopeful despite their four defeats, the White Sox will meet the Reds to-day in the seventh game of the world's series. The Reds and the 33,000 fans who witnessed yesterday's ten-inning ball game felt confident that the contest would be the deciding one and that before night the men of Moran would be proclaimed the baseball champions of the world. Before the game started it was believed that Manager Gleason of the Sox would send Eddie Cicotte, rated as the master pitcher of the American League, to the mound to face the Reds. Cicotte tried to stop them twice but failed. However, Gleason has every confidence that he can master the Reds if his arm is in perfect condition. It is possible, however, that "Big Bill" James may be Gleason's eleventh-hour choice.

Supporters of the Reds believed that "Slim" Sallee would be Manager Moran's pitching selection. Sallee scored the Reds' second victory of the series and is declared to be ready to take his turn on the pitching mound again.

Rush For Tickets.
All Cincinnati is getting ready to celebrate the expected victory of the Reds and there was a wild rush to-day to get tickets for this afternoon's contest. If the Sox are victorious in to-day's contest, the teams will have to return to Chicago for the eighth game Thursday, but admirers of the Reds are confident that this trip will be unnecessary.

After winning yesterday, Manager Gleason declared that the Sox had at last hit their championship stride and, although beaten in four of the six games, were far from being out of the race. The Sox seemed to be fired with a new fighting spirit which they hoped would turn the tide of defeat into victory.

The probable line-up for to-day game follows:
Chicago—J. Collins, r.f.; E. Collins, 2b.; Weaver, 3b.; Jackson, l.f.; Felsch, c.f.; Gandil, 1b.; Risberg, s.s.; Schalk, c.; Cicotte, p.
Cincinnati—Rath, 2b.; Daubert, 1b.; Groh, 3b.; Rousch, c.f.; Duncan, l.f.; Kopf, s.s.; Neale, r.f.; Rairden, c.; Sallee, p.

WORLD SERIES RECORD SHATTERED

Cincinnati, Oct. 3.—All previous records for world series receipts for a single game were shattered yesterday, when 32,000 persons paid \$101,768 to witness the sixth game, thus bringing receipts for the six games up to \$583,896.

The new high mark was made possible by the charging of more money per seat than at any former series, the box seats selling for \$5 each.

The players share in the receipts.

Attendance Receipts
First game 26,071 \$ 98,778
Second game 29,996 97,136
Third game 23,126 90,569

Losers' share 73,104.70
Each club's share 86,782.20
National Commission 48,212.90
Each second team (Giants and Indians) 10,526.21
Each third team (Cubs and Yankees) 13,017.45

CHAMPIONS OUT TO FINISH WITH A WIN

Shipyard Want to Finish Lacrosse Season With Victory Monday

With a lead of one goal in the past season's exhibition games, the Victoria lacrosse team will play at Royal Athletic Park Monday morning against the Foundation dozen, and will travel their fastest in order to achieve a win. For three games have already been played, and the Thanksgiving Day game will be the best opportunity they will have to cross sticks with the wearers of the green and white this season.

A hard-fought game is assured, for while there is no championship at stake, the rival teams in the Pacific Coast Amateur Lacrosse League are always out to win. At New Westminster last Friday afternoon, the game between these two teams was voted the very finest game of lacrosse, amateur or professional, played in the Royal City this season with the exception of the last professional game played there in the Minto Cup series. It was a struggle that will live long in the memory of those who participated, for it was hard and fast all the way, each man working his best to put his team ahead. There will be the same class of play in Monday's game, for the Foundations are in good shape and will make the Salmonbellies hustle to be in the game at all.

Provincial Golf Championship Entries Close To-morrow Night

Further Entries From Mainland and Victoria Clubs Are Expected for Bostock Cup Tournament

Secretary McKenzie, of the Victoria Golf Club, reports a good number of entries have already been received for the provincial golf championship tournament over the Oak Bay course, to start Saturday morning and lasting three days.

Mainland Entries.

Individual entries have been received from the Vancouver Golf and Country Club and the Shaughnessy Heights Club, but further entries are expected before the list closes to-morrow night. No entries have been received from the United Services or the Colwood clubs, but enquiries have been made which indicate that the two clubs will have contestants for the title.

Start at 9.30.

Players are requested to be on hand

STOP!

Now take your signal from the traffic policeman.

Go ahead smoke "ROYAL MINT."

CYRIL WILLIAMS TO HELP THE WANDERERS

Six Clubs Expected to Bid for Place in Senior Rugby League

Cyril Williams, English international full-back will appear on the line-up of the Wanderers fifteen in the City Rugby League competition this year. Williams last appeared in Victoria in 1912, when he wore the Wanderers' uniform and then left the city for New York. Since then he enlisted with the Canadian forces and served overseas, but has come back in fine shape to show his old-time ability at the oval ball game.

At the meeting of the Rugby Union to be held at the James Bay Club to-morrow night, it is expected that six or seven clubs will make a bid for the senior league although the opinion has been expressed that four good clubs would provide the best series this year. Delegates of all the clubs are expected to the meeting to-morrow. The Wanderers, James Bay, the V. I. A. A., the Foundation, the G. W. V. A. and the Aerial League have all been mentioned as clubs to be organized this season.

A junior series will probably be arranged, the Naval Cadets, High School and the University taking part.

LACK OF GROUNDS HOLDS UP SOCCER

Impossible to Proceed With Preparation of Intermediate Schedule

Six teams are kept out of soccer competition through lack of grounds. It was announced last night's meeting of the Victoria and District Soccer League.

The delegates of the intermediate league clubs were in attendance, and it was hoped to draw up a schedule. President W. H. Hadley explained that the only thing to prevent play being started in the league was that there were no grounds available.

The Football Association has taken the matter up with the City Council who have turned the problem over to the Parks Committee. The league is anxiously awaiting an appointment with the committee before they are able to set a series of games for the intermediate soccer men.

WITH THE SOCCER MEN

There was another busy session at the league meeting last night, at which next Saturday's games were endorsed as follows:

West v. Harbor Marine at Beacon Hill, referee J. B. Dickson.

Foundation v. Comrades Royal Athletic Park, Referee W. Stewart.

Fragments v. Yarrow at Jubilee, Referee Sergeant Major Jones.

A. and N. Vets v. North Wards, Work Point, Referee D. Duggan.

K. of C. v. G. W. V. A., North Ward Park, Referee P. C. Payne.

☆ ☆ ☆

The K. of C. team will get the services of a speedy player in A. McKinnon, whose transfer from the Harbor Marine was authorized.

Another K. of C. player, Jimmy Allen, was also taken on the strength of the Harbor Marine. A. E. Coles from the Comrades to the Fragments was a third transfer put through.

Referee Adams will be asked to present a more definite statement at the next meeting regarding the time played in the North Ward vs. K. of C. game last Saturday.

Interference by Secretary Forsythe and Pierce is alleged by Referee Fordyce in the West vs. Comrades game, and the three gentlemen named and witnesses are asked to appear at next week's league meeting and make an explanation.

President W. H. Hadley refused to change his ruling regarding the unplayed Foundation vs. North Ward game, in which he awarded the points to the former club. Ruling any discussion out of order he remarked that the North Wards had the privilege of appealing to the B. C. F. A.

In the absence of Secretary A. C. Hill, Mr. Bord acted as secretary. Games Saturday are scheduled for 2 o'clock and referees unable to appear are asked to give notification for another referee to be selected.

Dutch Clerg is ditching his lacrosse uniform for a soccer outfit during the winter months and will line up with Foundation eleven.

Dutch will fill the centre half position, and if he has as much speed and skill at manipulating a soccer ball as he has in handling the pellet with a lacrosse stick Bob McLernan has reason for the jubilation he is showing over the new capture.

Piano Tuning and Local Testimonials

Mr. Hood has tuned and repaired my piano, and have found everything working as well as new and very much improved.

AMUSEMENTS TO-DAY

Royal Victoria—Charles Ray in "Hay Foot, Straw Foot."

Pantages—Vaudeville.

Variety—United Artists' release, "One of the Blood," featuring Douglas Fairbanks.

Dominion—DeMille production, "For Better, For Worse," starring Gloria Swanson.

Columbia—Earle Williams in "A Diplomatic Mission," and Serial, "A Fight for Millions."

Romano—Mary McLaren in "The Unpainted Woman," and Serial.

ROYAL VICTORIA

Charles Ray has an entirely new character in his latest Paramount photoplay which will be seen at the Royal Victoria for two days only, to-night and to-morrow. In this story, written by Julian Josephson, Mr. Ray appears as a country youth who undergoes the adversities of training at a modern military camp.

The story has the atmosphere of camp life and Mr. Ray portrays the character of a youth who bears the name of Ulysses S. Grant. Briggs and is expected by his grandfather to live up to all the moral standards of the great American general.

When Ulysses hits the camp armed with his grandfather's musket of '61 and all ready to go after the Kaiser, he is a butt of many jokes by his more experienced comrades, and when he lets drop the remark that he once took a correspondence course in sleight-of-hand he is prevailed upon to appear as a performer at the camp theatre.

He arrays himself in an oriental gown and makes his bow as the great Abdul ben Maazaza. All his tricks go wrong, however, and he retires in confusion, much to the uproarious delight of the rookies. He gains the sympathy, however, of Betty Martin, a village girl who is appearing as a dancer.

He is quite smitten but after he sees her perform her dance, he tells her he is sorry he cannot include her among his acquaintances. Later, however, he protects her by whipping the villain and refusing to tell why he did so. His silence results in his being summoned for court-martial. The girl rushes to the court-martial and confesses that he is shielding her.

He is commended by his officer and Betty lets him know that she stands as high in her affections. Doris Lee is the leading woman.

DOMINION

Cecil B. DeMille's latest production, "For Better, For Worse," which is being shown at the Dominion all this week, was written by Edgar Selwyn, one of America's foremost dramatists, who has nearly a score of successful plays to his credit.

Mr. DeMille was in New York some months ago, and while there he met Mr. Selwyn, who narrated to him the plot of a play he intended to produce on the speaking stage in the Fall. Mr. DeMille was so struck by the possibilities of the plot, that he purchased the story from Mr. Selwyn immediately, and took the dramatist back to California with him in order that he might aid in the working out of his story.

COLUMBIA

German intrigue on a South Sea Island is pictured with realism in "A Diplomatic Mission," the Vitaphone Blue Ribbon Picture, which will be seen at the Columbia for the last time to-day. The island of Platina, under the British flag, is rich in platinum, and the German foreman seeks at the beginning of the war to cause an uprising among the natives and drive away all but German sympathizers. He is thwarted by a young American, who defends the chateau until a warship arrives, and incidentally saving the life of Lady Diana, with whom he is in love.

ROMANO

"The Unpainted Woman," starring Mary McLaren, will be shown on the Romano screen for the last time to-day. From an artistic standpoint

as well as from a dramatic. Miss McLaren, in this picture, is given the opportunity of doing full justice to her talent. So thoroughly does she enter into her role and the spirit of the story that she makes of the photoplay a reality. The story never says, but consistently works up to a dramatic climax. The entire play is full of tense situations. One of the big scenes is a burning barn from which the heroine and her child are rescued. A mob scene with a near lynching is another exciting moment.

VARIETY

"One of the Blood," Douglas Fairbanks' picture, and the first release of the United Artists' Corporation—the so-called "Big Four"—will be featured on the Variety screen again to-day. The production demanded not only very unusual and elaborate settings, which were provided without reckoning the cost, but also called for an exceedingly strong cast to support "Doug" in his journeyings through the picture. As in the case of the settings, Mr. Fairbanks gave his director, Joseph Henaberry, carte blanche to secure the best talent available regardless of expense.

PANTAGES

Probably the patrons of the Pantages vaudeville this week consider the ten pretty choristers of "Oh Teddy," tagged from dear old Broadway, who are the great charm of the musical programme, deserving of the imaginary loving cup that goes with headline honors. They support two very clever comedians and given a setting and some clothes that make a lot of interest for the act for no other reason than their superb beauty.

There is Frank Bush, than whom there is none other such a story teller. He provides the special brand of laughing gas for the performances and it takes effect in the most delightful of mental conditions. Frank is just back from an extended experience in continental Europe and has a fund of fresh dialect tit-bits that simply carries his audiences away.

Georgia Howard, violinist, charms her hearers with the rich tastefulness of her gowns and her graceful playing and dancing, given simultaneously. This talented girl fully merits her "Georgia." Like the state after which she was named, her performance breezes of the Southern atmosphere.

Tragedy and comedy are cleverly entwined in the working out of the plot of the sketch given by the G. Swayne Gordon company. The story is entitled, "Off with the Old Love," and is described as a big comedy success, for it is the happy element that predominates.

Cook and Vernon are a young man and girl who have an entertaining skit called "Sister Susie." Miss Jean Vernon calls up many a laugh with her interpretation of the "Susie" character. Horas and Preston are two clever knockabout acrobats who open the show and give a good impression on the audience. The fourth episode of "The Carter Case," the picturization of one of the very best of the Craig Kennedy stories, adds another interesting feature to the bill.

Suppose You Improve Your Spare time this winter. Sprott-Shaw Night School starts Oct. 7. Phone 28 for particulars.

CHARLES RAY

—IN—

Hay Foot, Straw Foot

He said he could never love her because she was a "play actress." To this country "rube" the stage was the devil's paradise. Certainly he loves her before the picture is over! It wouldn't be a picture unless he did. But the chain of circumstances that makes him change his mind is what makes this one of the "gol-darndest" best pictures Charles Ray has ever made.

BORN.

DAVIS—On Oct. 5, to the wife of L. Davis, 123 Edward Street, a daughter.

WILLARD—On the 21st inst., at 223 West Street, to Mr. and Mrs. A. S. Willard, a son.

FRASER—At Rutherford's Maternity Home, 2231 Shakespeare Street, on October 7, to the wife of Captain E. Fraser, of 2114 Shakespeare Street, a daughter.

RIDDLE—On October 6, at 2544 Work Street, to Mr. and Mrs. J. D. Riddle, a son.

DIED.

OLIVER—On the 7th inst., Mrs. Jane Oliver, relict of the late Frederick Oliver, age 76 years. The deceased leaves to mourn her loss two daughters, Mrs. J. W. Wilson, in White Horse, Erie, Penn.; one sister, Mrs. H. Dunn, in Syracuse, New York; and one niece, Mrs. H. Perrard, of Seattle, Wash.

The funeral will take place on Thursday, the 9th inst., at 2 o'clock, from the Sands Funeral Chapel, Rev. F. A. P. Chadwick will officiate. Interment Ross Bay Cemetery.

CARD OF THANKS.

Mr. and Mrs. G. H. Smith, of 516 Yates Street, desire to express their heartfelt thanks to the many friends for the many beautiful flowers sent and for the kind words of sympathy during their recent bereavement.

IN MEMORIAM.

SMALLWOOD—In loving memory of our dear husband and father, Leopold James Smallwood, who departed this life October 7, 1919.

We little thought his life so short. In this world to remain, Nor that when from his home he went He would never return again.

No loved ones stood around him. To bid a last farewell, No word of comfort could he leave To those who loved him well.

—Wife and Children.

ERZBERGER'S CASE AGAINST HELFFERICH

Berlin, Oct. 7.—Via London, Oct. 8.—(Havas).—The brief in the case resulting from the complaints made by Mathias Erzberger, Vice-Premier and Minister of Finance of Germany, against Dr. Karl Helfferich, former Imperial Vice-Chancellor, has been forwarded to the magistrates sitting on the case.

Exact details of the charges made against Dr. Helfferich have not been made public, but it is believed they refer to his activities while in office.

It was reported on September 11 that the case against the former Vice-Chancellor would be tried by a state tribunal.

NEW MODERATOR.

St. John, N. B., Oct. 8.—At the forty-sixth annual meeting of the Maritime Presbyterian Synod last night at Fredericton, Rev. James Ross, of Halifax, was elected Moderator.

HOW CURRIE STOPPED BIG AMIENS ADVANCE

(Continued from page 1.)

The German trench system as it existed previous to the Somme battle of 1916. The trenches are numerous and well constructed with plenty of dug out accommodation. They are arranged to meet such an attack as was contemplated and further reconnaissance and aeroplane photographs taken to-day disclose the fact that they are exceedingly well wired.

It is a system of trenches with which the enemy is familiar and this gives him a great advantage.

His artillery have doubtless taken up positions from which they don't need to register, because such registrations are on file.

In an attack on these trenches we cannot count on the element of surprise.

Four years of experience has taught us that troops attempting to cross uncut wire suffer casualties out of all proportion to any gains they may make.

We have just carried out an operation which has been a splendid success, with the result that the morale of the troops is exceedingly high. It would be a pity to spoil this morale by going on with an operation which will cost a great many casualties, unless the necessity for such an operation is very urgent.

If I may be permitted to make a suggestion, I would advise that it might be said that the original tank first used in the Somme offensive in 1916 was the result of the experience gained at the trials of each of these eighteen.

Bacon Helped.

Armored cars had failed, said the secretary, because they could not get over or around trenches, whereupon he had called into conference Vice-Admiral Sir Reginald Bacon, an ordnance expert. Admiral Bacon built a motor with bridges to be laid across trenches on the approach and picked upon the return, but this failed to get over a double-line trench. Then came tests of machines with huge wheels able to span a wide space, but these were discarded. Finally a caterpillar tractor or motor which began with an extended discussion as to whether they should be constructed to transport troops through fire-swept areas. Out of these discussions came the trials of the Mark I. tank, with which the inquiry is dealing.

Caterpillar Plan.

The caterpillar plan was once abandoned by the War Office, one of the claimants testified. It was kept in the Admiralty because, according to a statement by one of the attorneys, of Mr. Churchill's belief in the necessity of producing some machine to over-ride the trenches.

Among the claimants are Major-General Ernest D. Swinton, Commander Murray Fraser, Sir R. S. Deyn, and Sir W. A. Tritton, of the Ministry of Munitions. Major-General Swinton was the only claimant heard yesterday.

SEEK'S SUPPORT OF MIDDLE CLASSES

(Continued from page 1.)

The "nation means," Mr. Lloyd George declared, "to be master in her own house—a just master, a fair master, a generous master, but always master in her own house."

This naturally was accepted as a proclamation of the Prime Minister's victory over the strikers.

Unity Urged.

Now that the episode on the home front is over," said the Prime Minister, referring to the railway strike, "all ranks and classes must work together. The country needs it. We all belong to the working classes in this country. I claim to be a workingman in all except the eight-hour day. The strike proves that this is really democratic country where public opinion must prevail."

Keeping along the same line of thought, the Prime Minister continued:

"Pessimism in the industrial and economic world must not prevail. Great Britain has once more rendered a deep and lasting service to the world by defeating an effort to hold up the community and strangle it into submission."

Foresaw Contest.

He made the interesting revelation that he had left the Peace Conference in February because he foresaw the coming labor difficulties.

The Government had then started an organization under the chairmanship of the Home Secretary, in preparation for the possible necessity of securing the country's food supply.

This organization, he added, would not cease with complete demobilization, as many persons supposed, and this was an important fact to remember.

A Compromise.

J. H. Thomas, secretary of the National Union of Railwaymen, and leader of the recent strike, speaking at Albert Hall on Sunday night, dwelt on the settlement as a compromise and yesterday issued a statement appealing for reconciliation and burial of hard feelings.

Labor papers appear to differ with Mr. Thomas as to his view of the strike settlement.

"Secret Diplomacy"

George H. Roberts, Food Controller of the United Kingdom, speaking last night, laid the blame for the break in the negotiations on the railwaymen, accusing them of adopting "methods of secret diplomacy" and declaring the settlement of wage matters must be taken out of the hands of political officials.

Mr. Roberts' last point meets with the general sentiment of the country, as shown by the newspapers. A project is on foot for organizing an executive committee of all sections of labor to carry on negotiations with employers. An emergency trades union congress may be held to make arrangements to give labor representatives power to approach the Government if negotiations with employers fail.

Dislocation.

The dislocation of railroad traffic because of the strike has not yet been remedied. At several stations to-day there was displayed a placard which said that the companies hoped to resume normal traffic to-day. Thousands of

Family Party at Launching of Last of French Steamers

People Who Supplied Material for Construction of Ships to Be Present at Ceremony To-morrow Afternoon

Everything is in readiness for the launching of the twentieth and last steamer for the French Government at the Point Ellice yards of the Foundation Company to-morrow afternoon at 2.30 o'clock. Work on the hull was completed this morning and the launching trigger set in place. Mrs. Bayly Hipkins, wife of the vice-president and North Pacific manager of the Foundation Company, will be the sponsor. The launching ceremony promises to be the most interesting of any yet held.

The officials of the company plan to make a family affair of the launching. Mrs. Hipkins has invited a large number of intimate friends to be present on the launching platform with her, but the officials are issuing a general invitation to the heads of all firms and companies who have been supplying material for the construction of the ships to be present and witness the last vessel slide down the greased slips. It is expected that there will be a large crowd of people present.

The End of a Good Job.

When the ship, which will be christened *Nouvelle Ecosse*, the French for Nova Scotia, takes the water the termination of the largest shipbuilding contract ever awarded in British Columbia will be effected. About a year ago the Foundation Company secured an order for twenty 3,000-ton ships from the French Government, and immediately made preparations for construction on the Songhees Reserve. Splendid progress was made and late in March the first ship was launched. Since then the vessels have been rushed to completion and launched. To-morrow the last craft takes the water and the yards will be closed for good unless the community shipbuilding scheme develops and receives the financial backing of the community.

With the launching of the *Nouvelle Ecosse* between 800 and 900 men will be laid off. Only a few will be kept on for the purpose of cleaning up the yards.

The work of outfitting the hulls at the Orford Point plant is being rushed and on Friday morning at 10.30 o'clock the steamer *La Salle* will leave the docks for her official cruise and trial trips in the Straits. Mr. Hipkins and party will make the trip.

The *La Salle* is the fourteenth steamer to be tested out, leaving six other hulls to be completed. The work will be finished by the end of the year.

Invited Guests.

Mr. Hipkins has issued the following invitations for the launching to-morrow:

Mayor and Mrs. R. J. Porter, the

Hon. John Hart and Mrs. Hart, Mr. and Mrs. W. A. Viggers, Astoria, Oregon; Mr. and Mrs. A. E. Littler, Vancouver, B. C.; Mr. and Mrs. Jack Wilson, Seattle, Wash.; Mr. and Mrs. H. E. Woolley, Seattle, Wash.; Mr. and Mrs. Anton Labbe, Portland, Ore.; Mr. and Mrs. G. T. Wallis, Mr. D. C. Hutchison; Mr. and Mrs. N. A. Yarrow; Mr. and Mrs. A. McKelvie, Vancouver, B. C.; Col. and Mrs. E. G. Prior; Mr. and Mrs. E. V. Young, Vancouver, B. C.; Mr. and Mrs. John Duncan, Vancouver, B. C.; J. Dakers; Mr. and Mrs. Walter Bryant, Seattle, Wash.; Mr. and Mrs. T. B. Sumner, Everett, Wash.; Mr. and Mrs. Frank Walker, Seattle, Wash.; Mr. and Mrs. E. I. Garrett, Seattle, Wash.; Mr. and Mrs. Thomas Bilyou, Astoria, Ore.; Mr. and Mrs. W. G. Winterburn and family; E. E. Trigueux; J. Thomas; Mr. and Mrs. E. Letestu and Mlle. Letestu, Vancouver, B. C.; Dr. A. O. P. Francis, Mr. and Mrs. E. E. Jenkins, Mr. and Mrs. J. E. McCormick, Major and Mrs. F. B. Edwards, Capt. and Mrs. T. J. Jackson, Capt. and Mrs. W. J. Stephens, Mr. and Mrs. H. Barnett, Mr. and Mrs. W. Hodgson, G. H. Wayland, F. Havelde, Mr. and Mrs. Alex. Watchman, Mr. and Mrs. Jos. McKay, Mr. and Mrs. S. M. Shaw, Seth Ward, Mr. and Mrs. E. White, F. White, Mr. and Mrs. R. T. Freeman, Newton Pullen, Mr. and Mrs. E. E. Ewers, Mr. and Mrs. J. Forsyth, Mr. and Mrs. T. Mayo, Mr. and Mrs. J. Webster.

BRITISH STEAMER SINKS AT SEA; CREW SAVED

Halifax, N. S., Oct. 8.—The British steamer *Sizerga Castle* has sunk at sea and her crew are on board the American steamer *Afoi*, according to wireless messages received this morning by the Marine Department agent from the *Afoi*.

MAY BUILD FERRY TO CARRY MOTORS

Steamer Urgently Needed to Handle Cars Between Here and Port Angeles

There is a possibility that by the time the rush of motorists to Vancouver Island commences next summer there will be a special steamer to transport the motor cars across the Strait. The C.P.R. has had under consideration for some time plans of a vessel for this very important work, but the cost of construction at the present moment is prohibitive.

The past tourist season revealed the imperative need of some sort of craft to look after the many motor cars that had to be carried across the waters between here and the mainland. The steamer *Sol Duc*, which makes the connection with Port Angeles, was altogether too small to handle the number of motorists and their cars who wished to visit the Island. Various business men who are promoting the Georgian Circuit have been active in attempting to secure better transportation service.

The cost of constructing ships is exceptionally high at the present time. A large sum of money would have to be laid out to construct the vessel, which would be of a distinct type on this coast. The vessel would be specially constructed for handling motor cars, having large deck accommodation which would be very easy of access.

People interested in the Georgian Circuit are hopeful that the necessary connecting link between here and Port Angeles will be forthcoming in time to care for the great volume of business which is expected next year. Motorists who travel on the Mainland to Vancouver cross to Nanaimo by ferry and then come to Victoria over the Island Highway are always confronted with the problem of having to wait their turn on getting across to Port Angeles. The result of these delays does not enhance the popularity of the circuit.

JAPANESE SHIPPING KING NOW ON COAST

Baron Kondo Investigating Conditions; Tells of Increases in Service

Seattle, Wash., Oct. 8.—Investigation of Seattle shipping facilities with a view of obtaining more modern terminals for the vessels of the fleet now plying between this port and the Orient and three new lines of carriers which the company plans to operate between the North Pacific Coast and the Far East, was started to-day by Baron Rempel Kondo, president of the Nippon Yusen Kaisha, Japan Mail Steamship Company, who has arrived in Seattle en route from the peace conference in Versailles to his headquarters in Tokyo.

Baron Kondo was chief adviser on shipping to the Japanese peace delegation, and while in Europe and the United Kingdom made an investigation of the conditions of commerce in some of the big ports on the other side of the Atlantic.

"Trade between this continent and Japan is growing by leaps and bounds. The future holds great possibilities."

So declared Baron Kondo upon his arrival in Seattle from the United Kingdom and Europe.

The plans of the Nippon Yusen Kaisha for increasing its fleet on the Pacific officially announced as follows:

For the American line, Victoria-Seattle service—Three new passenger steamships superior in speed and accommodations to the Empress liners of the Canadian Pacific Ocean Services, Ltd.; these vessels to be of 20,000 gross tons register, while the Empress of Russia and Empress of Asia are of 16,850 gross tons register.

The Nippon Yusen Kaisha plans to withdraw the liners *Katori Maru* and *Kashima Maru* of the trans-Pacific service and replace them with three 20,000-ton steamships of the latest type and highest speed.

The new liners will be operated in connection with the steamships *Suva Maru* and *Fushimi Maru* now in this trade. This arrangement will give the Nippon Yusen Kaisha five huge passenger liners for operation between this coast and ports in China, Japan and the Philippines.

Night School. — Book-keeping, Higher Accounting, Shorthand, Typewriting, Rapid Calculation, Spelling, Penmanship, Wireless Telegraphy, Line Telegraphy, High School Subjects, Preparatory, etc. Enrol Oct. 2nd to 7th. Send for particulars Sprott-Shaw Business Institute, Pemberton Building, Phone 28.

BOB LONG UNION MADE OVERALLS SHIRTS & GLOVES

GIGANTIC COMBINE OF SHIPBUILDING INTERESTS

Montreal, Oct. 8.—A great North American shipbuilding enterprise between Canada and the United States is foreshadowed in the visit to Montreal of David Rodgers, general works manager of the Skinner & Eddy Corporation, of Seattle.

Although Mr. Rodgers would not give out any details of the scheme, for it is as yet only in the early stages of completion, it is understood that prominent shipping concerns in Canada have been approached, particularly in Montreal, in this matter, and they have received the proposition favorably.

A part of the scheme is the establishment of a huge shipbuilding yard in Montreal and several at other strategic points throughout Canada and the United States, involving an initial outlay of millions of dollars.

The new organization can get contracts for shipping amounting to 400,000,000, it is stated, if a guarantee that the work will be carried out can be given.

PURSER GIVEN THREE MONTHS FOR STEALING

Vancouver, Oct. 8.—Taking the view that the court had jurisdiction to try the case, the offence being one of conversion committed on the high seas, and being a continuing offence, Magistrate Shaw yesterday sentenced Alex Wilson, ex-purser on the steamship *Prinzessen*, to six months imprisonment, to date from September 10.

Wilson, according to the evidence given some weeks ago, appropriated to his own use the sum of \$131, the monies of Messrs. Shaw, Saville and Albion, owners of the vessel.

INSIDE PASSAGE IS ENVELOPED IN FOGS

Capt. McKenzie, of Prince Rupert, Reports Bad Weather; Receives Present

During the past two weeks dense fogs have been hanging over the Inside Passage and steamers have been bothered considerably although schedules have not been interfered with. Captain Duncan McKenzie, master of the G. T. P. steamer *Prince Rupert*, which docked this morning from Prince Rupert, reported very heavy fogs during both the north and south bound trips.

This is known as the foggy season, the warm days and cold nights having the effect of producing dense mists. Captain McKenzie stated that the weather was fairly clear between Vancouver and here, the heavy southwest gale yesterday afternoon and last night having blown the fog-banks away.

Captain McKenzie this morning exhibited a pair of gold cuff-links, bearing the crest and initial "D.", which was presented to him by the Duke of Devonshire. On the last trip south the *Prince Rupert* carried the Governor-General's party. The Duke was so pleased with the hospitality of the skipper of the vessel that he sent him the present. Captain McKenzie valued the links very much.

The *Prince Rupert* brought south a fair list of passengers. At present travel is not very heavy. The summer season was the heaviest ever known in the history of coastwise travel.

Quite a number of passengers left for the north on the *Prince Rupert* when she cleared at 10 o'clock this morning.

FUSHIMI MARU WILL BE LATE ARRIVING

Advices have been received by W. R. Dale, local agent of the Nippon Yusen Kaisha, that the steamship *Fushimi Maru* will be several days late in arriving at this port. The vessel is scheduled to leave Yokohama on October 11, and will reach here on October 24. On the outward trip the *Fushimi* will call at the Outer Docks on November 6, and when she sails from Hongkong on the next inward trip will be back on her old schedule.

The *Fushimi Maru* was delayed one week on her last outward trip from this port. When a few hundred miles at sea her steering gear became disabled, and she was forced to return to Seattle for repairs.

The Best Cough Syrup is Home-made.

Here's an Easy Way to Save \$2, and Yet Have the Best Cough Remedy You Ever Tried.

You've probably heard of this well-known plan of making cough syrup at home. But have you ever used it? When you do, you will understand why thousands of families, the world over, feel that they could hardly keep house without it. It's simple and cheap, but the way it takes hold of a cough will quickly earn it a permanent place in your home.

Into a 16-oz. bottle, pour 2 1/2 ounces of Pinex (50 cents worth); then add plain granulated sugar syrup to fill up the bottle. Or, if desired, use clarified molasses, honey, or corn syrup instead of sugar syrup. Either way, it tastes good, never spoils, and gives you 16 ounces of better cough remedy than you could buy ready-made for \$2.50.

It is really wonderful how quickly this home-made remedy conquers a cough—usually in 24 hours or less. It seems to penetrate through every air passage, loosens a dry, hoarse or tight cough, lifts the phlegm, heals the membranes, and gives almost immediate relief. Splendid for throat tickle, hoarseness, croup, bronchitis and bronchial asthma.

Pinex is a highly concentrated compound of genuine Norway pine extract, and has been used for generations for throat and chest ailments.

To avoid disappointment ask your druggist for "2 1/2 ounces of Pinex" with directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Toronto, Ont.

RENEWED DEMAND FOR MORE REVENUE IN MUNICIPALITIES

Union of British Columbia Municipalities Passes Victoria's Resolution

ATTITUDE TOWARDS THE HART COMMISSION

Over Hundred Accredited Delegates Represent Forty-eight Municipalities

(By Times Special Representative.)
North Vancouver, Oct. 3.—The Convention of the Union of British Columbia Municipalities in session here yesterday went on record in favor of the Government providing additional sources of revenue to meet municipal obligations.

Councillor Shallocross, Chairman of the Resolutions Committee, spoke strongly in favor of the resolution, which came from Victoria. His argument was that the municipalities were facing a position when solvency could not last much longer, and in fact the Government was driving them to an abyss. In Victoria the recent tax sale had shown that \$90,000 worth of property had been bought in by the city because no one would buy it. The speaker alluded to the added expenditure entailed by the cost of education, and similar departments. As the facts stood now the larger cities found themselves forced to a position where unimproved lands had ceased to be regarded as collateral security for loans, Mr. Shallocross declared.

His view was largely shared by Alderman Kirk, Chairman of the Finance Committee of Vancouver, who showed that the per capita cost of administration in Vancouver was \$28 in 1912, now it was \$52 per capita.

The Local Problem.
Alderman Sargent, of Victoria, took the line that the Victoria taxpayers had invested \$3,000,000 in local improvements during the past decade, and yet no return was permitted to the municipality through a tax on the motorists who used those improvements. Heavy expenses were entailed for education, and for police. For instance, Victoria spent \$75,000 on the administration of justice, while \$7,500 only came back in fines, he stated.

F. A. McDiarmid said the shoe pinched in just so far as the population increased in a community. He read figures which have already appeared in The Times from American cities to show what percentage of revenue is raised from land tax. All are smaller than in this Province.

Is It A Parallel?
Mayor McKenzie, of Nanaimo, remarked that while the Attorney-General attacked the Dominion Government regarding the Settlers' Rights question on Vancouver Island the Provincial Government was adopting a similar course with regard to the lawful revenue of the municipalities.

Mayor Gray declared that a thorough collection of the income tax would remove all necessity of taking municipalities' revenue.

The resolution was adopted with enthusiasm, after slight criticism from representatives of rural municipalities.

As adopted, the resolution says:
"That it is necessary that municipalities be granted additional sources of revenue in order to meet the obligations already imposed on them."

Financial Commission.
Naturally one of the principal questions before the Union is its attitude to the proposed sittings of the Commission set up by Hon. John Hart, Minister of Finance, to investigate municipal finances.

The convention was asked to go on record appointing the solicitor as its representative before the sittings, but the meeting declared such work must be properly exercised by the executive of the organization. Before passing the resolution, however, the convention favored having the discussion on the draft of the Municipal Act, deferred until Wednesday.

Duplicating Machinery.
The convention went on record against the duplication of machinery by which the Public Utilities Commissioner and the Inspector of Municipalities do somewhat similar work. Penticton delegates stated that when they desired an extension of a public utility, the Public Utilities Commission

sioner had not looked into the constructional needs, but confined himself to financial details which belonged to the Inspector of Municipalities alone.

Qualification Clause.
An amendment was proposed to change the law on the question of land titles, in order to assure the payment of taxes on the property on which a member of a council might qualify, but not on all property owned by him. This question will be taken up in the draft of the new act.

Cost of Inquests.
The convention voted in favor of a resolution from Port Alberni to obligate on municipalities and unorganized districts through the Government, the payment of the cost of inquests irrespective of the locality where the patient might die, as in the case of a person who was a victim of an accident, dying in a city hospital.

City Management.
A paper from City Clerk J. J. Carment, of Kamloops, on management of a city by council and a city manager was read by the chairman, Councillor Loutet, of North Vancouver. Mr. Carment declared that government by committees had failed, and that it was better to adopt the principle of the joint stock company, as shown in appointing a city manager.

Alderman J. R. Colley, of Kamloops, explained the situation as one who had worked under the two systems in existence in Kamloops. He indicated that the hydro-electric scheme had forced action there, and the appointment of a city manager had been an absolute success. Committees had been abolished, the city manager was going their indemnities. Mr. Carment had been a success, he said, under the new order of things.

Commission Government.
Commissioner Gillespie, of South Vancouver, read a paper on the subject. He advocated the replacement of the policy of submitting money by-laws to the people by one of the submitting proposals of this character to a municipal department created to supervise such expenditure.

A brief report was presented by Councillor Jack Loutet, vice-president, who in the absence of ex-Reeve Fraser, of Burnaby, occupied the chair. Two points were made in the report, one a careful consideration of the local improvement clauses of the new Act, and the other to prevent any further exemption of railroad property from local taxation.

Solicitor F. A. McDiarmid waived a report in view of his recent submission of a written memorandum to all municipalities.

Finances.
The financial statement showed that the financial position of the organization was sound, the balance in hand rising from \$218 to \$286, the total receipts from municipalities being \$1,315, in the form of subscriptions.

Reeve Bridgman, of North Vancouver, representative on the board of directors of the Tranquille Sanatorium, presenting his report, recommending an advance in the per capita grant in aid. He recommended a grant by the Provincial Government in aid of an educational propaganda on the matter, as he added, "Tuberculosis has not been checked in British Columbia." He indicated the situation was much more serious than people admitted.

The Dual Message.
"I congratulate you upon your sense of civic responsibility," said the Duke of Devonshire, in opening this convention yesterday morning.

From His Excellency's manner it was obvious that he was dealing with a congenial topic. He alluded to the fact that it was thirty years since he was first elected as a member of a Board of Poor Law Guardians, that to-day he was the chairman of the Board of Guardians and District Council in Derbyshire, England, and had served the majority in two English boroughs. He thought that was proof that he came to the convention in a sympathetic frame of mind, as knowing something of the work they were doing. In England the municipal author-

ities, His Excellency said, had other problems, than those which they faced in British Columbia. Two of them were housing and pauperism. He hoped they would never have a slum problem in Canada, while he trusted they would escape that disastrous poverty and pauperism upon which Charles Dickens had brought the stern light of publicity and exposed all the horrors thereof. He pointed out that British authorities had shown the energy, capacity, and foresight during the storm and stress of war to tackle the problem of pauperism better than it ever had been dealt with before. He also alluded to the growing importance of public health, and argued that however the settlement of British Columbia might be carried out, the care of its children was of first importance.

The Governor-General was warmly received.

Island Delegates.
Victoria delegates were as follows: Mayor Porter, Aldermen Patrick and Sargent, and City Comptroller Raymur.

Saanich is represented by Reeve Jones, Councillor Henderson, and Municipal Clerk Cowper.

Councillors Shallocross and Macfarlane and Clerk O. W. Ross appeared for Oak Bay.

Councillor Bridle is representing Esquimalt, while Clerk Pullen.

Other Vancouver Island representatives are Mayor Pitt and Clerk James Greig, of Duncan; A. C. Aitken, North Cowichan; Mayor McKenzie, Aldermen McGulkie and Matthews, of Nanaimo; Municipal Clerk R. F. Blandy, of Port Alberni.

The credentials committee reported forty-eight municipalities represented with 113 authorized delegates.

Local Men on Committees.
City Comptroller Raymur, of Victoria was appointed on the credentials committee, as chairman.

Councillor Shallocross was chosen to the important position of chairman of the resolutions committee, and among its personnel were Mayor Porter and Mayor McKenzie, Nanaimo.

One of the two auditors chosen is Clerk Cowper, of Saanich, who later presented the certified copy of the accounts.

OFFICERS DISCUSS MILITIA CHANGES

Want to Preserve Traditions of Units in Proposed Reorganization

Victoria militia officers are becoming much interested in the conferences going on between senior officers on the Mainland in connection with the reorganization of the militia. The conferences are being held to reach some degree of unanimity before the four generals charged with reporting on the suggested reorganization reach the Coast.

For some time past officers have been engaged in studying the opinions of officers and men of overseas units as to the best method of preserving the records and traditions of units which fought overseas without losing sight of the history of militia units which existed before the war and which proved the nucleus of the First Canadian contingent which left Canada early in the war.

No doubt when the commission arrives here some scheme will be worked out which will meet the views of all parties. Some surprise has been expressed on the Mainland that the two officers with overseas service on this commission, Major-General Sir Edward Morrison and Brig.-General A. McNaughton, and other military officers and the infantry and cavalry have no direct representation.

LIFT OFF CORNS!

Doesn't hurt a bit and costs only a few cents

Magie! Just drop a little Freezone on that touchy corn, instantly it stops aching, then you lift the corn off with the fingers. Truly! No humbug!

Try Freezone! Your druggist sells a tiny bottle for a few cents, sufficient to rid your feet of every hard corn, soft corn, or corn between the toes, and calluses, without one particle of pain, soreness or irritation. Freezone is the discovery of a noted Cincinnati genius.
